Editor-Alexander Haig wants to fire a nuclear warning shot over Europe. Ronald Reagan thinks a nuclear war is winnable and wouldn't hesitate to start one to begin a nuclear war.

Is it any wonder, then, that hundreds of thousands of people, old and young, terrified and horrified, are converging on New York City from June 11-14 for actions during the U.S. Special Session on Disarmament? Grandmothers for Nuclear Disarmament is organizing in Texas. A national Children's Campaign for Nuclear Disarmament has been launched from Vermont. And on hundreds of campuses, Ground Zero Week, a week of intense discussion and debate about the dangers of nuclear weapons and the dangers of nuclear war, has swept the country. For every age group, race, background, every occupation, one can find a group organizing to oppose the government's military policies.

People becoming so active now when we've had nuclear weapons for a long time! People give many reasons. An obvious one is the drastic cutbacks in social services and programs and the dangers of nuclear war, has swept the country. For every age group, race, background, every occupation, one can find a group organizing to oppose the government's military policies.

Jogging for pleasure and safety

Rain or shine, winds or smog, CSCSB students are jogging in greater numbers in pursuit of physical fitness or pure pleasure. With this increase, there has been concern about the frequency and severity of jogger-motor vehicle collisions.

Beginning in August, 1978, newspaper accounts of joggers hit by motor vehicles in the United States were collected for a one-year period by the Insurance Institute for Highway Safety. Reports of 60 collisions, involving 65 joggers, were obtained. Thirty of the joggers were killed and the other 35 were nonfatally injured. More than half of the reported collisions occurred during noon daylight hours.

The Institute's analysis showed that, in collisions for which driver and jogger movement could be determined, joggers were responsible for about a third of the crashes (for example, joggers ran across the road between intersections). Drivers were responsible for another third of the crashes, and in the remaining cases, joggers and drivers shared responsibility. Twenty three of the 60 collisions involved driver negligence-including hit and run or driving while intoxicated or driving under the influence of drugs.

Almost all joggers were running on public roads when they were struck by vehicles. In 29 collisions, joggers were running in the same direction as traffic. 20 additional collisions involved jogger movements: running against traffic, running across roads between intersections or crossing roads at intersections. In 22 collisions, two or more persons were jogging together.

Results of the study indicate circumstances which apparently increase the likelihood of being struck by a motor vehicle while jogging. Risk factors include jogging after dark, jogging with other people, and jogging on roadways in the same direction as traffic.

To help make jogging a safer experience, the following practices are recommended:

1. When running at night, wear light-colored clothing and reflective materials.
2. Run facing oncoming traffic in order to anticipate and react to potential traffic hazards.
3. Always run close enough to the edge of the road so that vehicles in the nearest lane do not have to alter their paths. If running with others where there is not enough room on the shoulder for more than one person, run single file.
4. Beware of overconfidence in the effectiveness of crosswalks. Never depend on stop signs or white lines to stop moving vehicles (especially at State College Parkway and North Park Blvd).
5. When running in the brush area of the campus, watch out for snakes.

Jogging is a healthy, fun activity but should always be done in a safe manner to avoid a major injury. If you would like further information of safeguarding yourself, contact your local Crime Prevention Office. On-campus crime prevention officer is available at 887-7555 or 887-7556.

Progressive-left movement underway

There is interest on campus to start a group of progressive-left people from the campus community which might organize symposia, form study groups, conduct collective research, and present "alternative" courses. Also, there is the potential opportunity to work with the local community and student groups on current social and political issues.

An initial organizational get-together, either in Crestline or on campus, will be held on Friday or Saturday in the near future. If you are interested contact Tom or Sue Meisenheder in the Sociology Department.

Bookstore takes commencement orders

Commencement exercises will be held at 9 a.m., Saturday, June 19, on the south lawn by the gymnasium. Beginning Monday, May 10, graduates and candidates planning to participate should go to the Information Counter in SS 100 to pick up the confirmation form which establishes their eligibility to participate.

Alpha Kappa Psi chicken dinner

Alpha Kappa Psi, national business fraternity, invites the campus community to a fried chicken dinner beginning at noon, Friday, May 21, at 18133 10th St. in Bloomington.

Tickets for this fund raiser will be $2.50 per person and must be purchased in advance. They will be sold 11 a.m. 2 p.m. at the Student Union.

The cost of leaving just went down.

The players of the Pear Garden present:

Sandy Wilson’s lively musical “The Boyfriend” will be presented at 8:15 p.m., Thursday-Saturday, May 20-22, and Tuesday-Saturday, May 25-29, in the Theatre at Cal State, San Bernardino.

First performed in London in 1954, this popular play is a spoof of the 1920 romantic musical, complete with short skirts, cupid bow mouths, the Charleston and the syncopated jazz band sounds of “The Bearcats.”

The performers will be Wendy Jo Murphy, Kimberly Maggo, Marisa Wine, Veronica Smith, John Higley, James Achilles and Dominic DeBellis of San Bernardino.

Also starring will be Valery Russel of Apple Valley; Randy Charnin and Daisy Mercado, New York City; Shannon Rubin, San Diego; Dell Yount, Rialto; William Greeley, Colton; Don Gruber, Hemet; Bruce Fosdick, Crestline; and Corrine Soto and Gregory Bourgeois, Redlands.

The director is Dr. Amanda Sue Rudisill of Rialto, professor of theatre arts. Keating Johnson of San Bernardino, assistant professor of music, is musical director.

The play is a joint production of the Theatre Arts and Music departments. Admission is $3.50 general, $1.75 students and senior citizens. Advance tickets are available by calling 887-7452.
CARL'S JR. Introduces the $32,000 CLIP JOB.

We're giving college students like you some important information you'll want to think about, when you're thinking about your future.

But first you'll need to grab the nearest scissors, clip off our attached coupon, fill it out and mail it in. Soon we'll get back to you with all the details about career opportunities in Carl's Jr. Restaurant Management.

Because we're growing so fast (there are now more than 300 Carl's Jr. locations in California and Nevada) you won't have long to wait for our reply.

Then once you're out of school, or whenever you're ready to join us full time, you can enter our progressive management training program. Not long after that you'll be well on your way to earning up to $32,000 a year managing your very own Carl's Jr.

So get clipping. Drop your Career-Info coupon in the next mail and you'll have given yourself a head start on a rewarding long-term career.

An Equal Opportunity Employer

Coors of San Bernardino would like to thank the participants in the Coors Dorm Blood Drive Challenge who helped make this event a success.

Joanna Romano, Coors Campus Representative, and Chris Bruckner, R.A. of the winning dorm, are pictured above holding the 1st place prize of $100. Congratulations Tokay!
