## DOROTHY JOHNSON IS NAMED NURSING DEPT. CHAIRMAN

The appointment of a new chairman of the Department of Nursing has been announced by President John M. Pfau. Dorothy Johnson, Professor of Nursing who joined the College teaching staff this fall, has been named to head the department for a three-year term.

A veteran of 15 years as professor of nursing at CSULA, Dr. Johnson served in many areas of teaching, including graduate and undergraduate programs there. At the undergraduate level she taught public health nursing, clinical supervision, maternal and child health, community health programs and many other subjects, including school nursing and supervision of students in the public schools.

At the graduate level she instructed in nursing research and teaching in the junior college.

In addition to a wide background in teaching experience, Dr. Johnson also has administrative experience ranging from coordinating public health nursing to chairmanship of numerous committees.

A graduate with a B.S. in nursing education and public health nursing from UC, Berkeley, Dr. Johnson received a M.S.N. in public health nursing from Yale U, a M.P.H. in public health and medical care administration from UCLA and a Dr. P.H. from UCLA. She earned her R.N. diploma from Newark Beth Israel School of Nursing, New Jersey.

As a professional nurse she has served as head nurse in hospital emergency rooms, public health clinic nurse, public health and school nurse.

Dr. Johnson will head a department created in July, 1974.

## ENROLLMENT FIGURES SHOW 4,126 STUDENTS REGISTERED FOR FALL

Figures available at the end of the second day of registration show 4,126 students on campus for Fall classes, a 6.9% increase over Fall, 1975 figures for the same period.

The full-time-equivalent student count is 3,268, or 4.2 % over the 1975 figures, also taken as of the second day of registration.

Based on previous experience, both actual and F.T.E. figures will probably increase by more than 100 by census date (Oct. 13), according to H. Stephen Prouty, Director of Admissions and Records. Registration will continue through September 29, the last day to add classes.
