ENROLLMENT UP 10.5% OVER LAST FALL

CSCSB enrollment continues to increase this fall, with the College nearing 4,500 students at the start of its 13th year.

The total enrollment, as of the official census date and last day to drop

classes, October 19, was 4,490, a 10.5 percent increase over Fall Quarter, 1976 census figures. This results in a 3,369.4 F.T.E.

(Figures as of Fall Census Dates)

Among the trends noted this fall was an increase in the number of first-time freshmen who enrolled, according to H. Stephen Prouty, Associate Dean of Admissions and Records.

Addition of several new credential programs for teachers and strong interest in the MBA and MPA degrees also contributed to an increase in graduate students this fall.

Undergraduate majors showing an increase in applications include administrative * * *

The play by Anton Chekhov is a modern classic which deals with a young man and a young woman who seek to establish careers, one as a writer and the other as an actress. Their frustrations are made more complex by the behavior of the man's mother, an aging actress, and her lover, an established author, and by the intrigue of three love triangles. Ronald Barnes, Prof., Drama, directs.

Production dates are November 10, 11, 12; 15, 16, 17 18 and 19. The President's Club will host a reception in The Theatre following the premiere November 10 performance.

MARGARET GIBBS IS
TOP CONTENDER FOR
L.A. COUNTY ASSESSOR

Margaret Gibbs, Associate Professor of Public Administration and civic leader in Los Angeles County, became one of the top contenders for the position of L.A. County Assessor through the endorsement of two of the five county supervisors.

Dr. Gibbs was one of 27 finalists named for the \$49,500 a year position left vacant by the retirement of County Assessor Phillip Watson recently.

Other leading candidates for the position include Lillian Wyshak, Beverly Hills tax attorney, James Grossman, L.A. attorney, Los Angeles City Councilman Ernardi Bernardi, Milton Gordon, former State real estate commissioner and Leslie N. Shaw, former Los Angeles postmaster.

A former Claremont city councilwoman for eight years who presently is the president of Citrus College Board of Trustees, Dr. Gibbs has been working on the theory and practice of real estate assessment since 1962. She lectures regularly at USC on the subject and has served as consultant on assessments for the League of California Cities. Her doctoral dissertation was on "Assessment Practice - How it Distorts the Property Tax."

Interviews of the finalists will start next Tuesday and the new county assessor will be appointed some time in December.
