IN MEMORIAM

November 23, 1977

The College is deeply saddened to learn of the sudden death yesterday of Neville Spencer.

Dr. Spencer's death was due to an immunological reaction. He died at St. Bernardine Hospital in San Bernardino at 9:05 yesterday, November 22, following admission that morning.

Dr. Spencer joined the College as an assistant professor in 1968, serving in the Department of Mathematics. He was promoted to associate professor in the Fall of 1975.

The flag is lowered to half-staff today in memoriam and will remain so until conclusion of memorial services which will be held Saturday, November 26 at 1:00 p.m. at the Crestline Community Presbyterian Church, 23594 Lake Dr., Crestline.*

Dr. Spencer, 37, is survived by his wife, Jacqueline, and three daughters: Amanda, 15; Cindy, 10 and Emily, 3; his father and mother, Dr. and Mrs. Terrel Spencer of El Centro, where the elder Dr. Spencer serves as president of Imperial Community College.

A graduate of the University of Texas where he was elected to Phi Beta Kappa, Dr. Spencer received his Master of Arts Degree in Mathematics from the University of Southern California and earned his Ph.D. from the University of California at Riverside in 1973. His research interest was differential equations.

For the past two years he served successfully as co-director of the Faculty Development Committee and in the CSCSB Faculty Senate served as representative on the Teacher Preparation Committee, the Committee on Inter-Committee Affairs, and two years as chairman of the Committee on Improvement of and Innovations in Education.

The family requests that in lieu of flowers, donations be sent to the Neville Spencer Scholarship Foundation, addressed to the Foundation, California State College, San Bernardino.

Note: Take Highway 18 to the Lake Gregory Drive turn-off; from the Union Gas Station, about one-half mile, the church is located over the hill (between the top of the hill and Lake Gregory Drive).
