IN MEMORIAM

May 3, 1978

The College is deeply saddened to learn of the sudden death of William Anderson on Monday, May 1, 1978.

Mr. Anderson died around 1 p.m. at his home in San Bernardino.

Mr. Anderson joined the College as a Stationary Engineer with the Heating and Air-Conditioning Department in July, 1970. He was later promoted to Refrigerator Mechanic. He soon became a familiar figure on campus as he rode in his small electric cart wearing his large-brimmed straw hat in summer and beaver cap in winter. His friendly manner and easy way with a joke, and, particularly, his concern for his fellow employees made him one of the best-known persons on campus with friends in every building.

The flag is lowered to half-staff in memoriam and will remain so until conclusion of memorial services which will be held Saturday, May 6 at 2 p.m. at Knopsnyder Mortuary, 404 N. Seventh St., Colton.

Andre Maurel, Lt. Commander, U.S.N., Retired, and Chief of Plant Operations for the College, will deliver the eulogy.

Mr. Anderson, 47, is survived by his wife, Jessie ("Tiny"); a son, Kelly, 15, of Virginia Beach, West Virginia; his mother, Bernice Monroe of San Bernardino; his father Clarence Anderson of Santa Cruz; step-parents, Mr. and Mrs. Aubrey McCrory of Los Banos, California, and three step-daughters, Regina, Andrea and Erica, all of San Bernardino.

A native of San Francisco, California, Mr. Anderson joined the U.S. Navy in 1948, and retired in 1967 with the rank of Chief Petty Officer.

The family requests that in lieu of flowers, donations be sent in care of Frank Lootens, Physics Department, PS-27, Ext. 7358.
