Special Performance

Excerpts from La Curandera

Robert Xavier Rodríguez's Mexican folklore themed opera intertwines Mexican culture with opera delightfully offering audiences traditional folkloric music with a Mozart-esque twist.

La Curandera is a comedic one-act opera with original stage direction by Dr. Stacey Fraser. It's modern and innovative music and staging will appeal to audiences who normally would turn a deaf ear to new music. The music for this opera is textured, multifaceted and alive with an upbeat orchestration reflecting the Latino culture.
