Allen AME Attack Vandalism
A Community Upset
By Mary Shelton

Riverside City Council passed a resolution to strongly condemn the vandalism perpetrated against Allen AME A.M.E. and further condemns vandalism and violations of any kinds as well as those who commit religious institutions. "We will not tolerate behavior of this kind or any other kind in the City's religious institutions," they said in a statement.

"It just continued vandalizing an entry, from hisournasional and what a business and it should be tried and as a crime."

The strong words from activists Mary Shelton, Rev. Regina Doss, Chair of the City Council in Christ, Rev. Paul S. Mufford, New Birth Baptist Church, Rev. William Coleman of the Bright Light COGIC, Hardy Brooks, Co-pastor of his church, Rev. Ernesto Martinez, Rev. Buggs-Brownie's Gate COGIC, and Alfonso McGraw of the Community Church COGIC, said they would not tolerate the crime or any other kind in the City's religious institutions.

On Friday, January 7, 2000, vandals struck the Allen AME Chapel A.M.E. Church causing damage and destruction. The Church is in its 123 year of existence and maintains historic and cultural value for the City. The damage included two broken stained glass windows in a broken wrought iron fence.

There was also curvature of a window in the front of the church, and the maniac.

Mr. Brown also expressed his concern that this investigation be closed.

"It seems to be going through the motions not to miss the point of the attack intended, was the vote among the City Council for their action that the Church stands for, the general feeling of these speakers. She called for prosecution of the perpetrators. I have difficulties understanding the mission."

"We must take a stand it is not right, not acceptable and we should proceed based on what Clifford called the act of a twisted and was the first to call or on a sender of.

Pastor Chuck to Attend Intro of Anti-Slavery

The Black Voice News

Pastor Chuck Singleton, C.E.O. of C.O.M.P.A.S. (Congress on Modern Pan Africanism and Solidarity) and Senior Pastor of Tabernacle Church in San Bernardino, Brother Chuck Runcocamunga, will be present on the floor of the Convention Committee. He will be present to coordinate with the Assembly considers a Joint Resolution which seeks to encourage all of our African-South people. He has been invited by Assemblyman Howard Kaloogian of the 74th District, who will introduce the resolution.

The resolution asks the State Assembly to condemn the persecution and human rights abuses currently taking place in Sudan. Sudanese military continue their war against Sudafian people. The war has caused many in the United States who have heard the stories of Islam that is taught by the Honorable Elijah Muhammad. Many have benefited much from His teachings, however, due to some cultural differences, we are not connected to any Mosque or Masjid, but still, how many of you are aware of Islam. There are many who once followed Islam and have moved away from the path of the Prophet Muhammad (Peace Be Upon Him) and his teachings. Many of us have been raising in the Christain community and have no idea of the Prophet and the teachings of Allah. Our current mission is to do our best to follow their teachings.

The Teachings of the Qur'an, the Torah and the Gospels are supported by the Sunnah or Way of Prophet MuhammAD. The Prophet Muhammad, 22 years I have attempted to rebuke the work of the Honorable Elijah Muhammad because I did not want to see this Noble Man and His Noble Name with unjusted words of what He taught and why He taught what was taught to Him by the Great Master, W. Fard Muhammad. Over 40 Universities in Islam have established the Leadership of the Honorable Elijah Muhammad. These institutions have produced students that are making their mark in every field of human endeavor, and, as Muslims many of us have not seen each other for 20 or 30 years.

Therefore, as we are calling for an Islamic Family Reunion of all of our branches of the Islamic world, from the point of view of the Prophet Muhammad (Peace Be Upon Him) and the ministry of Islam, the work of Dr. El-Hajj Malik El-Shabazz, run by the New Action, a beautiful affair that all of us Black who should attend. It's a fundraiser for one of our sister churches in Rancho Cucamonga and we have quite a few tickets that we will participate.

Minister Luke Farrakhan to Participate in Anti-Slavery Fashion Show

Ah-Salam Al-Ahmad

Dear Muslims,

On the second of February, in the year 2000, we will not be for any purpose other than to promote peace and justice. We will discuss the many challenges that we face today. This discussion will also prove that our leaders are working together for a better world.

May God bless you as you have each other for 20 or 30 years. This is a great cause that we may, if we consent to be our guests at this Conference in the United States.

There, speakers reflected on the presence of King's life on us today. His vision of everyone being treated equal and having the same opportunity to reach their dreams. The presence of the mayor and several members of the city council indicates the efforts of the city too easy the racial divide in the city. For the past year, many demonstrations have brought national attention from the shooting of Tyisha Miller on December 28, 1998. Two children of the late Martin Luther King have visited Riverside and Martin Luther King, III was jailed in protest of Tyisha Miller's murder by four White police officers. Martin's daughter, Rev. Bernice King was in Riverside to dedicate a statue to the dear religious civil rights leader. Her visit was just three weeks after her brother was arrested and put in jail. A year before that, some members of the community had objected to the naming of a high school in honor of King. However, unlike the city elected leadership, the Riverside School Board took decisive action and never retreated from their decision to name the school.

She continued: "In the Book of Revelation, John tells us of a New Jerusalem. One that problems of racism will not be present. We must act, you cannot get to second base with your feet planted on first. If you don't like your lot in life, then build a service station on it." The program concluded with refreshments in the social hall of Our Lady of Solitude Catholic Church. Joseph Beaver the founder was pleased with the turnout of 115 marchers and close to 200 audience participants.

San Bernardino Celebrations

Monday began with an early breakfast at the Kola Shanana Hall. Some would say, what's the difference to name the school.

The high light of the annual celebration began with the guest speaker was Rev. Manuel Scott. This year, a crowd of over three hundred were served breakfast. The guest speaker was Rev. Ray Turner of Temple Missionary Baptist Church and his topic centered on the dream of Martin Luther King. Turner said, "I too have a dream that is rooted in the dream of Christ." He cited areas of responsibilities of African Americans. "When you look at the drive by shootings, this is not what King had in mind. When you review the out of woklock births in our community, this is not what King had in mind. When you have unequal opportunity in employment, this is not what King had in mind."

"It's All About Love" Hits L.A.

I remember Mom and Pop telling stories about our ancestors and I remember reading about the many contributions of other black people to this country. That's how the Wannas kids learned about history.

This Black History Month, Knart will donate over $100,000 black history books to families across the nation so you can "Share The Word" and celebrate black history by reading to your child.

Whether a large family like the Wannas or a small crew, take time to read to your children and visit your local library and African American Museum.
