ACTION ON TWO-YEAR SERVICE CREDIT BILL POSTPONED UNTIL JAN.

On October 5, 1979 the Bulletin reported that the Trustees would act on AB 876, a bill which would allow two year's extra service credit for retiring employees, at their November meeting.

This week the Chancellor's Office notified all campuses that AB 876 now will be presented for consideration at the Trustees' meeting in January.

The reason for the postponement is to allow staff in the Chancellor's Office time to assemble information from the campuses concerning the need to encourage early retirement within the CSUC System. The campuses will receive requests for such information in the near future.

DRS. GIBBS AND FINLEY
ADDRESS GERMAN GROUP

Two CSCSB professors were invited to speak before a touring West German military group on the politics and government of California. James Finley and Margaret Gibbs, Public Administration, made their presentation yesterday at the Biltmore Hotel in Los Angeles before more than 100 officers, NCO's and civilian officials from the Federal Ministry of Defense and the German Armed Forces. It was the first formal event scheduled for the group during their ten-day tour of California.

"Last year we were one of two colleges invited to speak to this group," said Dr. Finley. "This year we handled the complete presentation on our own." In addition to the CSCSB professors, a representative from the Los Angeles mayor's office was invited by Dr. Finley to share in the program.
