If Governor Authorizes

DECEMBER 31 MAY BE  
HALF-DAY FOR COLLEGE

The Administrative Council, pending Governor Brown's anticipated authorization of four hours' informal time off during the holidays for state employees, has approved a half-day work status for the College on Monday, December 31.

Employees working to maintain skeleton services during the proposed time off on December 31, will be granted the equivalent four hours time off to be taken by June 30, 1980.

Normally, the informal time off, if granted by the Governor, would be taken on Christmas Eve, but the College already has scheduled that day as an Administrative-Academic Holiday.

Since December 31 is also payday for the College pay checks will be available for departmental pick up at 11:00 a.m. If the pay checks do not arrive in time, the departments will be notified by the Payroll Office.

SB 91 RETROACTIVE PAY  
RULED UNCONSTITUTIONAL

An appellate court ruled last Thursday that SB 91, enacted by the Legislature last July, which would have permitted a lump-sum pay increase for state employees, is unconstitutional. In a 16-page opinion, the Third District Court of Appeal held three to 0 that the measure violated state constitutional provisions that forbid retroactive state payments for services already performed.

Under the pay bill state employees were to get payment equivalent to a 7% increase for nine months of the 1978-79 fiscal year.

According to Charles P. Valdes, President of CSEA, the decision will be appealed immediately in the state Supreme Court.
