POSITIVE FIGURES FOR APPLICATIONS

With the way applications have been coming in, it looks as if there will be more bodies on campus this year.

According to Admissions Office figures, applications are running slightly ahead of the same time last year. Increases appear to be occurring in most areas noticeably in child development, English, nursing and public accounting. Students may enroll up to registration on Sept. 22-23 and application figures should continue to increase.

ADMISSION DAY TO BE FLOATING HOLIDAY

California became the 31st state in the Union on September 9, 1850. Since that time, Sept. 9 has been recognized as an official holiday. The college will remain open that day but employees will be granted an in-lieu floating holiday to be taken at a later date.

ART FACULTY MOVE INTO REMODELED BUILDING

As finishing touches are being applied to the newly remodeled Visual Arts Building (formerly the Fine Arts Building), the art faculty are beginning to move into their new offices.

Their offices are as follows: Leo Doyle, VA 103C; Julius Kaplan, VA 108; Roger Lintault, VA 103A; Joe Moran, VA 105; Bill Warehall, VA 103B; and Don Woodford, VA 102A.

All telephone numbers will remain the same with the exception of Kaplan's. Effective Sept. 22 his new number will be the same as the Art Gallery, Ext. 7459. Bruce Decker, equipment technician for the art department, will be in VA 131A and his extension will be 7491.

TELEPHONE DIRECTORY INFORMATION NEEDED

The Public Affairs Office has begun work on the 1980-81 college telephone directory. Persons listed in last year's directory have been sent forms to correct or update the information about them. Any permanent or temporary employee who did not receive a form should call the Public Affairs Office (Ext. 7558) immediately. Information for the directory is due back to AD 117 by Sept. 19.
