INCOMPLETE REGISTRATIONS WILL BE CANCELLED

Approximately 400 students are enrolled for fall quarter with incomplete admission folders. Their registrations are subject to cancellation if their official transcripts and/or test scores are not received by Oct. 15. This year the college is under a directive from the Chancellor's Office to cancel these registrations.

Faculty are urged to encourage students to honor their terms of admission and make certain their necessary documents reach the Admissions Office.

Any questions by students or faculty should be directed to the Admissions Office, ext. 7311.

SICK PAY NO LONGER TAXED

As of Sept. 1, sick pay is not subject to Social Security (OASDI) tax. From now on, any Public Employee Retirement System member who contributes to the Social Security system will receive an end-of-the-year refund of any Social Security taxes deducted from sick pay. This exemption applies only to wages paid when the employee is sick. It does not apply to wages paid for time spent away from the job due to the illness or death of family members.

The remainder of this season's schedule includes Eugene O'Neill's "Long Day's Journey Into Night," directed by Amanda Sue Rudisill. It will be presented Nov. 13-15 and Nov. 18-22 with performances starting at 7:45 p.m. George Bernard Shaw's "Arms and the Man" will be presented Feb. 26-28 and March 3-7, with performances starting at 8:15 p.m. Ronald E. Barnes will direct.

Dr. Buchen Recuperating

Dr. Irving Buchen, dean of the School of Humanities, is recuperating at his home in Redlands following successful heart surgery. He left St. Bernardine's Hospital yesterday.

Dr. Helene Koon, chair of the Department of English, has been appointed by President Pfau as acting dean of the School of Humanities during Dr. Buchen's convalescence.

Trustee Actions

Among the actions taken by the Board of Trustees at its Sept. 24 meeting were:

- approved a 1981-82 state-funded capital outlay budget request totaling $43.7 million
- approved a 1981-82 non-state-funded capital outlay program totaling $4.6 million
- approved funding for energy conservation measures at four campuses and for technical audits at six campuses
- established a Committee on Collective Bargaining as a standing committee of the board
- amended procedures for selection of presidents, relating to arrangements for finalists to visit the campus

During the fall quarter, the pool will be open for recreational swimming during the following time periods:

Monday-Thursday: 12:00-1 p.m. and 2:30-4:30 p.m.
Friday: 12:00-4 p.m.

The pool will be closed on weekends and during the Thanksgiving recess. The Physical Education Building is open from 8 a.m. to 8:30 p.m., Monday-Thursday and 8 a.m.-6 p.m., Friday. The equipment room opens a half hour later.

Bishop Straling To Speak Here

The Most Rev. Philip F. Straling, bishop of the Catholic Diocese of San Bernardino, will give an address on morality in contemporary life at noon Oct. 8 in the Student Union's multipurpose room. The public, as well as students and faculty, is welcome to hear the address.

The talk is the first of a series of noon lectures to be presented by the Associated Students.

Bishop Straling, a San Bernardino native, was presented the first National Forsyth Award for his work in campus ministry. He holds a California license as a marriage and child counselor and served as parish priest, high school teacher and campus minister prior to his 1978 appointment as bishop.
AS FILM SERIES

Changes Hour

This year the first showing of the Associated Students Friday night film series will begin at 6:30 p.m., a half hour later than previously. The second showing will continue to be at 9 p.m.

Admission prices to the film are: students, 25 cents; non-students, $1; alumni, 25 cents; and children, 50 cents.

The title of the weekly film will be listed in the Calendar accompanying the Bulletin. Tonight's presentation is "Norma Rae."

BILINGUAL TEACHER

Program Re-funded

CSCSB's bilingual teacher corps program has received funding for another year, though in an amount sufficient only to keep the program in operation. There was no money provided for expanding the program. The State Department of Education allotted $61,050 for the program to maintain 30 FTE slots.

The program is designed to supply primary schools with teachers who can teach in both Spanish and English. The intent is to give Spanish-speaking youngsters a chance to receive instruction in their native tongue, as well as English, and to provide impetus for maintenance of cultural awareness among those students.

Although the program received enough funding only to maintain existing enrollments, should other funding recipients fail to fill their programs, or should some students take less than a 12-unit load, additional slots can become available.

BACK PAY ISSUE

Still Unsettled

The California Supreme Court has postponed consideration of Senate Bill 91, legislation which would give a one-time, lump-sum retroactive salary payment to most state employees. It now appears that the earliest the high court will consider the case is December.

Court sources said the delay had nothing to do with the political implications of the potential payment, but, rather, with the pressure the court has come under to render decisions within 90 days of hearings. Some members of the court felt a decision could not be rendered in 90 days had the original Sept. 3 hearing date been maintained.
