**CAL STATE PROFS
WIN NEH FELLOWSHIPS**

Dr. Peter Schroeder (English) and Dr. Eugene Garver (Philosophy) have been awarded National Endowment for the Humanities fellowships for the 1981-82 academic year.

Only 40 such fellowships were awarded and Cal State is the only institution in the United States whose faculty won two of them.

Dr. Schroeder will spend his year researching and writing about the development of literary dialogue from the Medieval through Renaissance periods. Dr. Garver will investigate contemporary rhetoric with the goal of improving the teaching of writing at all educational levels.

Dr. Garver's project is linked with a two-quarter sabbatical he will take this academic year to research the same subject and with a four-year grant to the college from the NEH to develop better methods of teaching students to write.

The fellowships provide up to \$20,000 in salary replacement for the fellowship year. Additional funds for research expenses can be requested from the NEH.

**\$2800 DISTRIBUTED
TO FIRE VICTIMS**

Approximately \$2,800 was distributed from the Fire Victims Relief Fund this week to the 12 faculty, staff and students who lost their homes in the fire. But that will not be the end of it.

Another \$200 donation arrived after the distribution was made and there is a chance that other donations will come, possibly from off campus. Donations have been received from individuals and departments at Cal State, Dominguez Hills. The Cal State Associates and ASB also made donations and the Alumni Association indicated it will also contribute to the fund.

The fire victims shared equally in the fund. A three-member committee composed of Faculty Senate Chair Judy Rymer, Dean of Students Kent Monroe and Personnel Officer Oscar Jackson made the official distribution.

Further donations will be distributed to the fire victims as they accumulate.

Each of the families received about \$258 from the money which had been donated up to the day of distribution.

President's Message

In the midst of the traditional joy of the holiday season, Mrs. Pfau and I recognize the misfortunes which have befallen our colleagues and students. While their gladness is tempered by the loss of homes and possessions, we rejoice that no lives among our campus families were lost. We extend to all our best wishes for the coming New Year. Hopefully, it will be a year in which personal tragedy can be turned into a new beginning.

President John M. Pfau

CHRISTMAS COFFEES
TO BE HELD DEC. 23

The traditional Christmas coffees or parties, held on a building-by-building basis, are to be scheduled on Tuesday, Dec. 23. Years ago, when the college was smaller, all employees gathered in one location for coffee and cookies. In more recent years, each building, or departments within buildings, has arranged its own event.

CAMPUS TO GO ON
CHRISTMAS HOLIDAY

The campus will take a four-day Christmas break Dec. 25-28. Dec. 25, Christmas, is a legal holiday. Dec. 26 will be taken as an in-lieu holiday replacing Veterans Day, a legal holiday which the campus did not observe.

All campus offices will be closed for the four-day weekend with only essential employees working.

END OF YEAR BRINGS
END OF PERSONAL DAY

With the end of the year will come the end of any 1980 personal leave days remaining unused. Every Cal State employee hired before Dec. 31 is entitled to a day (or portion of a day in the case of part-time employees) of leave.

Any such personal leave day not taken by Dec. 31 is lost. It cannot be carried into the new year.

BULLETIN TO TAKE BREAK

The next issue of the Campus Bulletin will be distributed Jan. 2. There will be no Bulletin Dec. 19 or Dec. 26. Items for the Jan. 2 issue should be sent in writing to the Public Affairs Office, AD 117, by noon Dec. 30.

Payday is Wednesday, December 31

TELEPHONE DIRECTORY TO BE DISTRIBUTED TODAY

The 1980-81 Telephone Directory, to be distributed today, has a new look. The directory is larger, with the page size being the same as the city or state ATSS directories.

This leaves the type larger. A new feature is a listing of employees by office.

The typing of the directory was done on the word-processing equipment in the Foundation Office. The information is now stored on disks, which will enable next fall's directory to be produced more rapidly by typing corrections and additions, rather than the entire book. This year the directory was printed in the Duplicating Center

JOE LONG CONTRIBUTED TO BLOOD DRIVE, TOO

Mention was inadvertently overlooked in the recent story on the campus blood drive of the contribution of Physical Education and Recreation's Joe Long. Long, in addition to donning

a Dracula costume and playing the part around the donor center, donated an Intramural T-shirt to the post-drive drawings. The T-shirt, incidentally, was won by student Rita George.

FIRE VICTIMS LIST UPDATED

A fourth student, Dianne Briley, has been added to the list of faculty, staff and students who lost their homes in the fire. Judy Cruz from the School of Education has been removed from the victim list since her home was not destroyed.

OPEN HOUSE A SUCCESS

Six faculty and staff had early Christmas when their names were drawn for prizes at the Bookstore's open house.

The prize winners were Howard Dexter (Music), who won a Polaroid camera; Jack McDonnell (Business Administration), AM/FM cassette recorder/radio; Ted Krug (Financial Aid), blender; Elaine Haugen (Admissions and Records), a briefcase; Sarojam Mankau (Biology), \$10 gift certificate; and Lydia Sullivan (Computer Center), \$10 gift certificate.

The Bookstore plans to make the open house an annual event.

NORTH SIDE LOOKING FOR VOLUNTEERS

Volunteer help has been requested for efforts to clean up debris and to fill and stack sandbags in the northern part of San Bernardino. Anyone interested in helping need only sign up at the Wildwood Park Volunteer Post at 40th and Waterman. The people there will give each volunteer a job and provide transportation to the work site.

This effort is in addition to the college's volunteer list. Jeanne Hogenson in the Activities Office is compiling a list of college employees willing to help colleagues clear their property and erect sandbag walls to protect against flooding and mud slides. Anyone interested may call Ms. Hogenson at 7407.

Because there is a shortage of equipment, the Wildwood Park volunteer center asks that those who have them take shovels. Anyone planning to stay through meal time should pack a sack lunch.

The most critical need at the moment is for people to fill and stack sandbags.

PERSONALS

The college community congratulates Dr. Eugene Garver (Philosophy) on his marriage Dec. 5 to Jane Bennett of Crestline.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.
