SUMMER SESSION SCHEDULE IS OUT

The free Bulletin announcing dates and courses for summer session and extension courses to be offered this summer is now available from the Office of Continuing Education or the Public Affairs Office.

The five-week summer session will run from June 18 through July 22. Approximately 75 courses will be offered. The largest number of offerings will be in administration and education. Also available will be courses in art, economics, English, geography, health science, history, humanities, interdisciplinary studies, math, music, natural sciences, nursing, paralegal studies, physical education, psychology and sociology.

Most classes will meet two days a week; a few will be in session four days and four 2½-unit classes in education will meet once a week.

The three-week post session will meet from July 27 through Aug. 14, with 11 courses on the schedule.

The Bulletin also lists the extension courses to be offered both on campus and in eight communities in Riverside and San Bernardino counties.

ONE-ACT OPERAS TO BE PERFORMED WEDNESDAY

In their first joint effort, the Music Department and the Riverside Opera Assn. will present two one-act operas, "Cox and Box" and "The Zoo," at 8:15 p.m., Wednesday in the Recital Hall.

The opera company will do "Cox and Box," the comic story of two men sharing a house. Cal State music students joined by area musicians will present "The Zoo," the tale of an English nobleman who finds his virtuous woman in a zoo. Dr. Richard Saylor will direct the chorus and orchestra presenting "The Zoo." Dr. Richard Switzer (French) wrote special lyrics for a piece of music, for which the lyrics had been lost. Tickets, available at the door, will be \$3.50 for adults and \$1.75 for students.

The second presentation of the two operas will be at 8:15 p.m., Saturday, May 23 at the Riverside Municipal Auditorium. Admission prices are different there.

133 STUDENTS GRADUATE AT END OF WINTER TERM

At the close of the winter quarter, 133 students completed their degree programs. Of the seniors, 88 earned B.A. degrees and 10 received a B.S. The graduate degrees included 27 M.A.s, five M.B.A.s and three M.S.s.

Five undergraduates received their degrees with honors. The most frequent majors were administration, with 12, and liberal studies, with 11.

**AIRCONDITIONING RESTORED;
ONE COOLING TOWER FIXED**

Airconditioning was restored to the major buildings on campus this week with the repair of one cooling tower at the Heating and Airconditioning Building. Completion of the repairs was delayed when a critical part was broken on arrival from the east coast.

One cooling tower had been damaged and the other, the larger, destroyed in the Panorama fire last November. Repair of the small, 600-ton unit will provide sufficient chilled water to aircondition the buildings on the central system at the present level of need. The 1000-ton unit will be needed when hotter summer days arrive. It is estimated another four to six weeks are needed to reconstruct the larger unit.

**5 IN SENIOR ART SHOW
OPENING NEXT THURSDAY**

Five senior art majors will present their work in a combined senior show opening Thursday evening in the Art Gallery. The public is invited to the 7:30 p.m. reception honoring the artists: Lori Glick, Peggy Nelson, Tom

Ruvolo, Kim Sanborn and Anita Wasinger.

The exhibit will include wood items by Miss Glick and Miss Sanborn, paintings by Miss Nelson and Miss Sanborn and examples of communications design by Mrs. Wasinger and Ruvolo. The show will be up through May 31.

**INTRAMURAL T-SHIRTS
MUST BE CLAIMED**

Anyone who has earned an intramural T-shirt during this year, either by winning an event or by participation, must claim their shirt at the Intramural Office (PE 124) prior to June 19. Shirts not claimed by that date will be forfeited.

**COLLEGE PREVIEWS SET
FOR NEW FRESHMEN**

Two meetings are scheduled next week for incoming freshmen and their parents or friends. The sneak previews of college will begin at 2 p.m., Sunday and at 7 p.m., Tuesday in the Student Union.

The 1½-hour meeting will include sessions for parents and for the students who have already been accepted for admission next fall. Billed as an opportunity to meet people and ask questions, the meetings are not replacing the traditional fall orientation. The previews are being planned by Stephen Domingues, activities advisor, and Eula Brown-Martinez, admissions counselor.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.

11 ACCEPTED FOR OVERSEAS PROGRAMS

Eleven students, a record for Cal State, San Bernardino, have been chosen to participate in the CSUC International Programs in the coming year. The San Bernardino campus is the only one in the system to have all of its nominees accepted for study at an overseas campus. Currently nine students are participating in the International Programs, which was the previous record.

Accepted for the year-long experience next year are: Nancy F. Ferretti, Robert M. Judge and Boyd L. Roberts, all at Waseda University in Japan; Patrick J. Fitzpatrick, Veronica R. Rodarte and Debra L. Thompson, at the University of Madrid, Spain; Patricia D. Farwell, University of Provence, France; Kenneth D. Whitson, University of Heidelberg, Germany; Roneet Lev, Hebrew University of Jerusalem, Israel; Timothy M. Bruton, University of Ibero-Americana, Mexico; and Shari L. Miller, University of Uppsala, Sweden.

A new aspect evident in the applicants this year is the fields of study they seek on the overseas campuses--for example, computers in France, criminal justice in Spain and business in Mexico. Traditionally, many of the students who study at foreign campuses are majoring in languages, international relations or foreign economics and trade.

CAL STATE ASSOCIATES TO HAVE BOX SOCIAL

A box social and election of officers will highlight the Cal State Associates meeting tomorrow evening. The event will begin at 6:30 p.m. in the lower Commons.

Proceeds from the auctioning of the box dinners will be used for the purchase of a piece of student art to be given to the college. Reservations for the evening should be made with the Cal State Associates president, Lorraine El-Ahraf, 882-1840.

Officers nominated for next year are: Karen Kessinger, president; Jeanne Hogenson, vice president; Catherine Gannon, secretary; Marlene Wepf, treasurer; Terrell Manyak, interest group chairman; and Karla Christie, newsletter editor.

The Associates earlier this month donated 20 zylasma bushes to the college. They were planted along North Park Blvd., extending from the bushes they donated last year. In another activity, a book sale at the April 26 Open House, the Associates realized approximately \$65 from the sale of donated books. This money also will go toward the purchase of the student art.

2 GERMAN FILMS TO BE SHOWN THIS WEEKEND

German films will be shown on campus both tonight and tomorrow evening, under the sponsorship of the Department of Foreign Languages. Tonight's film, arranged by Miranda Munson, is "Germany, Key to Europe."

Produced and directed by Kenneth Richter, an American film lecturer, the film is designed for the American traveler and student of the German way of life. It has English dialog and is in color. The Friday film, 80 minutes long, begins at 7:30 p.m.

"The American Friend," a visually rich German thriller, is Saturday evening's foreign film offering. In strange criss-crossings, a Hamburg artisan, a French gangster and a mysterious American go-between become embroiled in an assassination plot and art forgery ring. The movie, which has English subtitles, begins at 7 p.m.

Both films are free and open to the public. Both are shown in PS 10.

NOTEWORTHY Dr. Irving H. Buchen (Humanities) was invited to serve on a national review team examining a position paper produced for American Telephone and Telegraph. The paper deals with the future of information generation and management and its impact on higher education. Meetings were held May 7-8 and 11-12 in Cherry Hill and Piscataway, N.J. A second stage of the review will be held this fall in California.

Dr. Amer El-Ahraf (Health Science and Human Ecology) met April 14 with Peter Weiner, special assistant to Gov. Brown, to discuss the proposal to create a new state Department of Toxics. Dr. El-Ahraf was a member of an environmental health task force created by the California Environmental Health Assn. and the Assn. of Environmental Health Administrators.

The National Mental Health Advisory Council has approved, pending funding from the National Institutes of Mental Health, a grant application from Dr. Marsha Liss (Psychology) titled "The justification of aggression by prosocial heroes." The grant will enable her to examine television superheroes' influence on children's acquisition of moral lessons and subsequent prosocial actions.

SPEAKING OUT Dr. Marilyn Ambrose (Education) and Herb Nickles (Computer Center) presented an all-day workshop April 13 on "Computing Your Future: Microcomputers in the Home and Classroom" for the California Home Economics Assn. convention in Los Angeles.

Richard Bennecke (Student Union) spoke to the Fontana Kiwanis Club Wednesday on "An Analysis of Leadership."

Dr. A. Vivien Bull (French) spoke on "Women in 18th Century French" to a Colton High School class May 8.

Dr. Charles Christie (Public Administration) spoke to the San Bernardino Chapter of DAR last Saturday on "Politics, Professionalism and Public Administration: Damned if You Do, Damned if You Don't."

Dr. Harold A. (Jim) Jambor (Sociology, retired) spoke to a class at Beaumont High School April 30 about child abuse.

Dr. Frederick Keene (Math) spoke on "La Cuisine Bourgeoise: French Home Cooking" for home economics and French classes at Norte Vista High School in Riverside May 8.

Dr. Janice Loutzenhiser (Business Administration) spoke to a Colton High School class yesterday on "ERA: What it is and what it isn't."

Dr. Lorelee MacPike (English) spoke to the Redlands branch of Alpha Delta Gamma on "Alternative Careers for Women" April 30.

Dr. Terrell Manyak (Business Administration) spoke to the Exchange Club of San Bernardino Wednesday on "Mining the Ocean Floor."

Joseph Moran (Art) spoke to a Cajon High School class Monday on "What is a Print?"

Dr. James Rogers (Business Administration) presented a paper, "Analyzing User Skills in the Design of Biomedical Instrumentation," and was a panelist at the president's symposium at a meeting of the Biomedical Engineering Society, Federation of American Societies for Experimental Biology, April 12-17 in Atlanta, GA.

SOME BLOOD TEST RESULTS AVAILABLE

the Health Fair during Open House April 26 are not yet available.

Anyone who had blood tests taken during the Health Fair at registration in March may pick up the results at the Student Health Center between 9 and 11 a.m. and 2 and 4 p.m., in case interpretation of results is necessary. Blood tests taken at

PERSONALS

The college extends best wishes to Mr. and Mrs. Peter Bradford on their marriage May 9 at the First Congregational Church of San Bernardino. Mrs. Bradford is the former Robin Hamilton (Natural Sciences). Bradford is the photographer in Audio-Visual Services. They will live in San Bernardino.

FORMER HEALTH CENTER PHYSICIAN DIES

Dr. John D. Wilcox, medical officer in the Student Health Center from October 1972 through July 1975, died April 6 following a heart attack. He had been a pediatrician in Claremont for more than 40 years.

COLLEGE RECEIVES SCHOLARSHIP GRANT

The Union Pacific Foundation is awarding the college a \$500 grant to be used for an unrestricted graduate scholarship. The money, which will be received in June, will be awarded this coming fall.
