JAMES H. URATA TO FILL INTERIM POSITION

James H. Urata, director of plant operations, will assume Vice President Joseph K. Thomas' duties in an acting capacity effective tomorrow, President John M. Pfau announced today. Dr. Thomas will begin his retirement today.

Urata, who joined the college July 31, 1963, as building coordinator, will continue with his responsibilities for the physical plant operations and staff. He will serve in the interim capacity until the position is defined and filled by the new president. Dr. Pfau has elected not to fill the position permanently since he will be retiring the end of July.

COMMENCEMENT IS TOMORROW

Plant Operations will conclude its weeklong process of setting up for commencement this afternoon. The physical arrangements will be the same as last year, with seating for about 5,000, including graduates. In the event of rain, an abbreviated ceremony will be

held in the gymnasium.

Among the 911 students eligible to participate in the 9 a.m. ceremonies are three staff members, one who also is a daughter of a faculty member, and two other children of college personnel.

Frank Slaton (Computer Center) has completed work for his master of business administration degree. He also holds a master of science degree in computer science from Stanford. Pat Wolff (Public Affairs) will receive a bachelor of arts degree in English.

Ingrid Rebecca Marsh (Library), the daughter of Dr. Margaret Lenz (Education), has completed work for her bachelor of arts degree in political science, with a minor in administration. Terri Sue Lemmond, daughter of Janice Lemmond (Support Services), will receive her bachelor of arts degree in administration, with an emphasis in marketing. Peter R. Petrucci, son of Dr. Ralph H. Petrucci (Academic Planning), will graduate with a bachelor of arts degree in French with honors.

**'SCARF DANCER' IS

President Pfau has selected "Scarf Dancer," a stained glass piece by Ruth Ellen White, for this year's addition to the President's Student Art Collection. Ms. White is a senior art major. The piece, which was purchased for \$375, is on display through the summer in the Art Gallery, along with other entries in the Juried Student Art Show.

**NEW AGREEMENT
WITH BLUE CROSS**

Members of Blue Cross/Blue Shield health plans should have received notice from the Public Employees' Retirement System (PERS) that the PERS Board of Administration has approved a Blue Cross/Blue Shield proposal.

The agreement provides for an extension of the current Blue Cross/Blue Shield Plan (Code 60), which is due to terminate July 31, for the months of August through November, assuming passage of appropriate legislative authorization. The agreement also provides a new Blue Cross/Blue Shield plan for new employees effective Aug. 1, and one, effective Dec. 1, for any member choosing to enroll during the annual open enrollment period, Sept. 15-Oct. 31.

This agreement means that anyone currently enrolled in Blue Cross/Blue Shield Basic Plan will continue as a subscriber until Nov. 30. There will be no change in benefits from August through November, but rates for the basic as well as the supplemental will be increased for the next contract year beginning Aug. 1.

Because the current plan will terminate Nov. 30, all subscribers in the basic plan and some subscribers in the supplemental plan must select a replacement plan during the open enrollment period. Additional details are available by contacting George Brundrett (Personnel), Ext. 7205.
