## 'STATE UNIVERSITY FEE' ADDED TO STUDENT COSTS

taking less than six units will be added to the total charge.

Students will pay up to \$150 more in fees for 1982-83. Beginning this fall, a new "State University fee" of \$50 per quarter for students taking six or more units and \$16 for students

The fee total for fall is: 0-5.9 units, \$111; 6 units, \$145; 6.1 or more units, \$149. This does not include the \$15 for parking. The new fee was initiated to help offset a \$970,118,453 support budget for 1982-83 that is \$67,408,047 less than the board requested from the state. Because of the impact this fee will have on lower-income students, the Legislature authorized \$3.4 million for a new financial aid program to be administered by the CSU.

Effective immediately, the transcript fee is increased from \$2 to \$4. Effective this fall term, late registration fees will be \$25, compared with last year's \$20 charge, by action of the chancellor.

An increase in the application fee from \$25 to \$30 also has been included in the final budget, but this action requires a change in Title 5 of the California Administrative Code. Trustee action is anticipated in September. This increase will affect applications for enrollment beginning fall 1983.

In addition, the Board of Trustees increased the amount that health centers may charge for various services. However, the action is not expected to affect this campus as no fees are charged for services rendered at the Student Health Center.

## PRESIDENTIAL COMMITTEE TO RESUME INTERVIEWS

called back into session after the Board of Trustees postponed action on the appointment of the college's second president until Sept. 14. The PSAC is to select additional candidates to be screened, brought to campus and then interviewed by the board. Additional finalists will make their campus visits the week of Sept. 7. Trustee Chairman John O'Connell has appointed Wallace Albertson to the PSAC, replacing John F. Crowley, also a trustee.

The Presidential Selection Advisory Committee, with a new trustee added to the group, resumed its deliberations this week. The committee, which includes campus representatives, was

## HEALTH INSURANCE PREMIUMS CHANGE

The Public Employees' Retirement System has announced changes in premium rates and in medical and hospital care health plans. These changes are effective Aug. 1, 1982, through July 31, 1983, with the exception of Blue Cross/Blue Shield, which terminates at midnight Nov. 30, 1982. The rate changes will be reflected in today's paychecks. A detailed list of the changes has been compiled by the Personnel Office and distributed to all employees. Persons not receiving the list should contact that office.

The state contribution per month has been increased to \$71 from \$58 for an employee, to \$133 from \$107 for employee and one dependent, to \$168 from \$138 for employee and two or more dependents.

The money to pay for the increased state contribution toward health insurance premiums is coming from the projected one-time reduction in the state's contribution to the Public Employees Retirement System (PERS). The employees' contribution to PERS also is being reduced, by about \$50 for many employees. This change is reflected in today's paycheck. State employees are not receiving a cost-of-living increase this year.

The Health Center also will be closed during August, and the College Police should be contacted in case of emergency. As usual to conserve energy costs, the Creative Arts Building will be closed Aug. 2-31. Persons wishing to gain access into the building or to contact the Theatre Arts and Music Departments Office should call Ext. 7452. The office will be temporarily moved into the costume shop, CA 120.
