The three additional finalists for the position of president of Cal State, San Bernardino are expected to be selected today by the trustee members of the Presidential Selection Advisory Committee. Each candidate is expected to visit the campus Wednesday, Thursday or Friday to meet with students, staff, faculty, alumni and the community. If a fourth candidate should be chosen by the PSAC, that person would be on campus Tuesday. Anyone interested may call the school offices, the acting executive dean's office or the Public Affairs Office late today or Tuesday morning. Biographical information will be provided the day of the visit.

The schedule for next week's meetings, which will be held in the Lower Commons, will be: 9-10 a.m., staff; 10 a.m.-noon, faculty; 2-3 p.m., students; 3-4 p.m., tour of campus; 4-5 p.m., meeting with trustees; 5-6:30 p.m., reception with alumni and community members, including the various advisory boards. A trustee and Dr. Robert Tyndall, acting vice chancellor for faculty and staff affairs, will accompany the visitors.

The Board of Trustees will select the president during its meeting the afternoon of Tuesday, Sept. 14, at the Chancellor's Office. A special Bulletin announcing the new president will be distributed on campus the following morning.

Because the Library has been designated the John M. Pfau Library in honor of the college's founding president, the official designation for the building will be "PL" rather than "LC." Publications will begin to reflect the new designation.

Beginning Sept. 15, the parking lot north of the Library will be restricted to faculty and staff parking both evenings and days. A card key will be necessary to gain entrance into the lot Monday through Friday. The lot will be open for general parking from 5 p.m., Friday, to 7 a.m., Monday.

Faculty and staff wishing to obtain card keys may contact the Dean of Students Office, SS 114, Ext. 7524. Priority will be given to full-time faculty and staff whose offices are located in one of the science buildings or in the Pfau Library Building.

An individual may not have both a card key and a parking decal. Individuals who have a card key may park in other areas by displaying the key on their dashboard or visor.
The Board of Trustees will consider an increase in the application fee to $30 at its meeting at 9 a.m., Sept. 14, at the Chancellor's Office. Any person interested may present statements, orally or in writing, at the meeting. The Trustees intend to implement the increase soon after its adoption.

The Art Gallery, closed during August, will reopen Tuesday. The Annual Student Juried Show will remain on exhibit until Oct. 4. Gallery hours will be 9 a.m. to noon and 1 to 3 p.m., Monday through Friday.

The physical education facilities are on a temporary schedule until classes start Sept. 23. The pool continues to be open from 9 a.m. to 5 p.m., Monday through Saturday, until Sept. 11. The courts are closed for general use. The building is open from 8:30 a.m. to 4:30 p.m., Monday through Friday.

The residence halls will open Sept. 14. The Commons will serve its first meal after summer recess at dinner Sept. 14. The remodeled Student Union will be open for patrons on Sept. 15.

The Financial Aid Office will again operate out of its permanent location in the Student Services Building beginning Tuesday. Staff had been working out of a temporary location in VA 116 while the suite of offices was being remodeled. At a cost of about $14,000, the work included moving walls to make the present three office spaces into four, installing a counter window in the corridor, and finishing the room at the northwest end of the corridor (the former men's restroom) to provide two office spaces.

About 1,000 people were on campus Aug. 28 for the Pacific Championship Tournament of the Southern California Polynesian (Tongan) Rugby Council. The 12 finalist teams came from as far away as New Zealand, the Tonga Islands, Hawai'i and Utah. Also represented were Arizona and California. A team from Provo, Utah took the championship with a 3-0 win over Honolulu. Joe Moran (Art), tournament chair for the council, arranged the event and played on a team from Pomona.
