BOARD OF TRUSTEES TO SELECT PRESIDENT

The new president of Cal State, San Bernardino will be selected by the Board of Trustees during a closed session beginning at 3 p.m., Tuesday, at the CSU headquarters in Long Beach. Announcements of the Board action will be made immediately following the session, estimated at approximately 6 p.m. A special Bulletin on the new president will be distributed on campus Wednesday morning.

The four finalists for the presidency are: Dr. Robert O. Bess, assistant vice chancellor, academic affairs, CSU; Dr. Anthony H. Evans, provost and vice president for academic affairs, Eastern Michigan University, Ypsilanti; Dr. Kala Mays Stroup, vice president for academic affairs, Emporia State University, Kansas; and Dr. Judith Ann Sturnick, vice president for academic affairs, Southwest State University, Marshall, Minn.

Drs. Bess and Stroup visited campus Wednesday and Thursday. Dr. Evans is on campus today. Dr. Sturnick was here in July and will not return to campus before the Trustees' selection is made.

NEW SCHOOL YEAR BEGINS MONDAY

Cal State, San Bernardino will begin its 18th year Monday, with a week of orientation and advising for faculty and students. Although applications are still being accepted from prospective students, enrollment is expected to be about 5000 students for the fall quarter.

Eighteen new faculty members will be welcomed at the general faculty meeting, which traditionally launches the new year. Vice President Gerald Scherba will preside at the meeting, to begin at 9:30 a.m. in the Recital Hall.

New faculty orientation is scheduled for 1:30 p.m., Monday in the Lower Commons. Also on Monday will be a pre-orientation meeting for freshman advising from 1 to 3 p.m. in the Student Union.

Tuesday's events include a meeting of new faculty advisors from 10 to 10:50 a.m. and a meeting of all faculty on advisement and academic regulations from 11 to 11:50 a.m., both in the Recital Hall. Department and school meetings will be that afternoon from 1-4. Students will begin moving into the residence halls at 1 p.m. Tuesday. An orientation program for residents and parents is scheduled from 6 to 7 p.m., Tuesday.

Freshman orientation will be from 8 a.m. to 4 p.m., followed by transfer student orientation from 7 to 9 p.m., Wednesday, in the Student Union. Academic advisement for all students is Thursday and Friday. Faculty must be available in their offices for at least seven hours between 8:30 a.m. and 8:30 p.m., Thursday, and from 8:30 a.m. to 3:30 p.m., Friday. Closing the week's activities will be a reception honoring the new faculty from 5 to 7 p.m., Friday, in the Commons.

A MESSAGE FROM
THE CHANCELLOR

Chancellor W. Ann Reynolds, who assumed the helm of the CSU system Sept. 1, has issued the following message to all faculty, staff and students:

"The California State University has progressed from infancy through adolescence and into maturity. Excellence is now our hallmark. But the time for new beginnings never passes. I believe firmly that as we build upon what has already been achieved, fresh challenges abound.

"On assuming my responsibilities as chancellor, I ask that you join with me in bringing new laurels to The California State University.

"I issue this invitation despite the fact that, owing to California's difficult fiscal condition, CSU budget appropriations in the 1982-83 academic year may be the most stringent ever. I recognize that some programs of great value have had to be curtailed. Be assured that I shall work diligently with the Board of Trustees and state government leaders to help overcome such deficiencies--but we must recognize that easy, painless solutions are plainly not at hand.

"I am privileged to have been appointed by a Board of Trustees committed to continuing the high standards of excellence attained by The California State University. I now look forward to visiting each campus and benefiting from your insights and recommendations."

REMINDER OF FEE
INCREASES GIVEN

To help meet the 1982-83 CSU support budget, the transcript fee and the late registration fee have been increased. The transcript fee, formerly \$2, is now \$4. The late registration fee has been increased from \$20 to \$25.

In addition, beginning this fall, a new State University fee of \$50 per quarter for students taking six or more units and \$16 for students taking less than six units will be added to other charges. Because of the emergency surcharge added last year, however, this fee increase amounts to only about \$30 per year for full-time students.

An increase in the application fee to \$30 will be considered by the Board of Trustees at its meeting Tuesday. The current fee is \$25.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.
