CSU FACES FEE INCREASE DUE TO 2% BUDGET CUT

The Board of Trustees of the CSU is meeting in special session Monday to consider increasing fees to help offset a two percent cut in its state support budget. Gov. George Deukmejian has ordered that cut in state budgets to help eliminate part of the state's $1.5-billion deficit. The cut will mean an $18.6-million loss for the CSU. The system also faces a $5.3-million shortfall in foreign and out-of-state tuition revenue.

The governor's order also imposed a freeze on employee hiring and promotion, contracts, out-of-state travel and major equipment purchases. The campus Purchasing Office is processing no requisitions.

PRESIDENT EVANS ANNOUNCES WINTER CONVOCATION JAN. 12

President Anthony H. Evans will address the college community at a Winter Convocation from noon to 1 p.m., Wednesday, Jan. 12, in the Recital Hall.

He will share his initial impressions of the college and begin to discuss emerging goals and priorities. "I want to continue the collaboration with all segments of the campus community until we have arrived at a reasonable consensus about the college's future directions," he said. Dr. Evans expressed the hope that a large representative number of faculty, staff and students can attend the meeting.

DR. KENTON MONROE STEPS DOWN AS DEAN

Dean Kenton L. Monroe has stepped down from his position as dean of students. Associate Dean John Hatton will serve as acting dean of students until a national search has been undertaken and a successor to Dean Monroe has been named.

President Evans praised Dean Monroe for his leadership during the college's formative years, describing the Division of Student Affairs as one of the best managed divisions in the state.

"Dean Monroe has had an indelible impact not only upon Cal State, San Bernardino but also upon student affairs policies and programs throughout the California State University system. The dean's administrative competence and his wise counsel on matters affecting the entire college will be missed," Dr. Evans said. "Yet the college is fortunate to have Dr. Hatton who has the necessary trust and demonstrated ability to lead the division during the period of transition."

Dr. Monroe, who also is professor of psychology, came to Cal State as associate dean of counseling in September 1965. He was appointed dean of students a year later.
COLLEGE EMPLOYEES TO GET FEBRUARY CHECKS AS USUAL

CSU Acting Vice Chancellor Robert Tyndall has notified the campuses that college employees will receive regular checks for the February pay period and not registered warrants. These checks are scheduled to be distributed March 1.

State Controller Ken Cory has sent notices to all state employees explaining they may receive registered warrants instead of paychecks at the end of the February pay period. These warrants could be cashed only when the state has sufficient funds to cover them.

However, Dr. Tyndall said the CSU as well as other public instruction agencies have a prior claim on state salary funds, under the state constitution, so that they will not be affected by the warrant program.

DR. JANCZYK COLLEGE REP IN ECONOMIC IMPACT STUDY

Dr. Joseph Janczyk (Economics) is the college's representative in a study of the impact higher education institutions have on the economy of the state. The California Postsecondary Education Commission is coordinating the study, which should be completed this month. Sections of the study will be written by the University of California, The California State University, the California Community Colleges and the Association for Independent California Colleges and Universities.

The CSU portion consists of three parts: regional economic impact of each CSU campus, impact of instruction (in terms of contributions resulting from differential earnings, knowledge and skills attributable to higher levels of education), and research and public service.

Dr. Janczyk primarily has been concerned with the first part, assessing the economic impacts of the college on local businesses, governments and individuals. As representative, he provides the Chancellor's Office with advice on such matters as the appropriate definition of "region" for the college, data on local real estate, banking deposits and similar economic indicators.

SPEAKING OUT

Drs. Francesca E. Bero (Education), T. Patrick Mullen (Education) and Ina Katz (SAIL) lectured at the preview of the 32nd annual conference, California State Federation for Exceptional Children Nov. 11 in Monterey. Their topic, "A Leap Forward: Learning Enhanced by Assistance from Parents," covered a mini-course in methods and materials parents may use at home to reinforce their children's school experience.

Nadine Chavez (EOP) spoke on "Test-Taking Techniques and Test Anxiety" to Upward Bound students on campus Dec. 4.

Dr. Terrell Manyak (Administration) spoke on "International Study Scholarships" at a meeting of the Corona Rotary Club Dec. 3.

Dr. Mary Patterson (Nursing) testified before the Block Grant Task Force on the Reduction of Grant Monies for Preventative Health Services Nov. 5 in Los Angeles.

Dr. Alexander Sokoloff (Biology) spoke on "Why Not Eat Insects?" at a meeting of the Uptown Lions Club Dec. 14 in San Bernardino.
MUSIC AROUND THE WORLD

A panorama of music from around the world will be presented by the Center for World Music from San Diego State Saturday, Jan. 8, in the Recital Hall. Directed by Dr. Robert Brown, internationally known ethnomusicologist, the program will begin at 8:15 p.m. The musicians are faculty and advanced students of music at San Diego State.

The members of the various ensembles that evening will dress in native costume to present Indonesian, Indian, Korean, Brazilian and early European music. Representing the United States will be music by Harry Partch performed on instruments he created. A guest troupe will perform Javanese and Balinese dances.

Tickets, which will be sold at the door, are $5 general, $2.50 students. The concert is part of the Music at Cal State series.

SCHOOL OF ADMINISTRATION

ANNOUNCES REORGANIZATION

To better serve growing enrollment, specializations developing within the business field and community projects, the School of Administration is undergoing reorganization.

Effective fall 1983, the school will be called the School of Business and Public Administration and will be divided into four departments: Public Administration, Accounting and Finance, Management, and Marketing and Management Science. Currently there are two departments, Business Administration and Public Administration. The new department chairs will be selected by June 1983.

Students working toward degrees in administration total 1,363, or 27 percent of the student population. Ten years ago, 277 students, or 10.5 percent, were administration majors. This rapid growth, particularly in the areas of marketing and accounting, has created a need to provide specialized departments, according to Dean Hal Hoverland.

The school's division into four departments is expected to facilitate student access to faculty advisors and to enable faculty within each department to work more closely together to develop curricula and to conduct research projects. The change also is expected to increase opportunities for direct contact between a department chair and a specialized business operation, such as a CPA firm or marketing division.

EMPLOYEE MILEAGE/PER DIEM

ALLOWANCE RATES INCREASE

Travel reimbursement and subsistence allowance rates for CSU employees have been increased retroactive to July 1, 1982. Employees who want to claim the new rates retroactively must complete and submit new travel expense claim forms.

The new daily travel reimbursement is: Lodging, $35; breakfast, $4; lunch, $7.25; dinner, $12; and incidental allowance for 24 hours or more $3.75—for a daily total of $62, an increase of $12 over the previous rates. Per diem for designated high-cost areas has increased from $56 to $70 per 24-hour period.

Mileage rates have increased to 16.5 cents per mile if the employee's vehicle is used when a state automobile is available; 20.5 cents if a state car is not available; and 25 cents if the employee certifies that the actual cost of operating his/her vehicle was at least equal to the rate claimed.
Electronic Jewelry Exhibit Opens in Gallery Jan. 14

Electronically by 16 artists from the United States and the Netherlands will be featured in an exhibit opening with a reception from 7 to 10 p.m., Friday, Jan. 14, in the Art Gallery.

Combining today's computer technology with the art of jewelry making, the more than 50 pieces have functioning electronic circuits to make them active with lights and sounds. Most have their own power sources.

The works range from stainless steel insects with flashing eyes to a jewelry-scale sculpture with ultrasonic detectors. Many of the artists have used experimental materials, such as plastics, aluminum and nickel. Examples are a necklace that monitors heart beat, a tuxedo with light-emitting diodes down the lapel, and a neon belt.

Coordinated by Chad Lynde (Art), the show closes Feb. 24. Admission is free. Art Gallery hours are 9 a.m. to 4 p.m., Monday through Friday. Special hours may be arranged by request.

Cal State News Now on Cable Television

Cal State, San Bernardino news is now appearing on two cable television stations, Field Cablevision in Redlands and Liberty Cable in San Bernardino.

Field Cablevision's Channel 36 reaches 12,000 homes in the Redlands area. Liberty Cable reaches 12,000 homes in northern San Bernardino. The typed messages are broadcast on Channel Premium 8 of Liberty Cable.

Taped by Audio Visual Services, information appearing on the two channels is changed the first of each month. Persons wishing to get adequate air time for their events should submit the information a month in advance to the Public Affairs Office.

Italian Woodcut Blocks Displayed in Library

Thirty-nine Italian woodcut blocks dating from the 15th to the 19th centuries are featured in a free exhibit in the Pfau Library through Feb. 18. The woodcut blocks, remnants of printers' stocks of illustrations and ornaments found in the Palace Pio in Capri, Italy, are on loan from the Frank V. de Bellis Collection housed at San Francisco State University.

Prints made from the blocks also are exhibited, as are a number of rare 15th through 17th century volumes containing outstanding examples of woodcut illustration. Among the few blocks that can be positively dated is a portrait of the artist Mariotto Albertinelli, which appears in the first illustrated edition (1568) of Vasari's "Lives of the Artists."

'Germany: Key To Europe' Film Shown Jan. 12, 17

"Germany: Key to Europe," a film narrated by Kenneth Richter, distinguished American film lecturer, will be shown free at 4 p.m., Wednesday, Jan. 12, and 6 p.m., Monday, Jan. 17, in PL 500. This 80-minute color film is sponsored by the German Club. Information is available from Miranda Munson (Foreign Languages), the club advisor, Ext. 7445.
Dr. Sanchez to Coordinate Student Affirmative Action

Dr. Gilbert Sanchez has joined Cal State, San Bernardino as coordinator of the Student Affirmative Action Program. Dr. Sanchez holds a B.A. in Spanish literature from USC and Ed.D. in educational administration from the University of Massachusetts at Amherst.

Previous to his appointment here, he was professor of education at San Diego State. He also taught at SUNY in Albany, New York University and American University in Washington, D.C. His teaching areas had been educational administration, labor relations and bilingual education.

While in Washington, D.C., Dr. Sanchez was a labor organization administrator of the National Education Assn. and special assistant to the secretary of the Department of Health, Education and Welfare.

Through outreach, retention and educational enhancement projects, the state-funded Student Affirmative Action Program is designed to increase the number of students from underrepresented ethnic groups who enter college and go on to graduate school and professional positions.

International Study Program Meeting Jan. 11

Students interested in studying under the CSU International Programs are invited to a free informational meeting at noon, Tuesday, Jan. 11, in PL 241. Patricia McFell, international programs representative from the Chancellor's Office, will speak about application procedures, requirements and costs, as well as the array of subjects offered overseas. Part of the program will be a slide presentation of the educational centers in 15 countries.

'Evening Services Office' Now 'Evening Office'

The 'Evening' Services Office is now called the 'Evening Office.' Located in PL 107, the office is open during the regular academic year to assist evening students with many of the services usually offered during the day. The office is open from 5:45 to 8:30 p.m. Monday-Thursday.

School of Administration Sponsors Annual Social

Students, faculty and staff in the School of Administration are invited to the school's annual mid-year social from 11:30 a.m. to 1 p.m., Wednesday, Jan. 19, in the Multipurpose Room of the Student Union. The School of Administration is sponsoring this free luncheon event. Reservations are necessary and may be made by calling Jennifer McMullen (Administration), Ext. 7531, by Thursday, Jan. 13.
## "What's Happening at CSCSB"

**FRIDAY, January 7**
- 8:30 a.m. - 4:30 p.m. Accounting Association training session
- 9:00 a.m. Elementary student teachers orientation

**SATURDAY, January 8**
- 8:15 p.m. World Music from San Diego State
