COLLEGE POLICE TRANSFERRED

Administrative responsibility for the College Police (Department of Public Safety) has been transferred to Acting Executive Dean James H. Urata, President Anthony H. Evans announced.

The department, which also includes parking officers and patrol aides, has been under the dean of students since the early days of the college. The organizational re-alignment was effective this week.

The director of the Department of Public Safety, Arthur Butler, is the campus' environmental health and safety officer. In this capacity, he also works closely with Dean Urata.

URBAN PLANNING CERTIFICATE NOW OFFERED AT CAL STATE

A new certificate that combines study of the theoretical foundation and practical techniques involved in urban planning is now offered by the college. The program is designed for private citizens, members of planning agencies and consulting firms, and others who would like to acquire more expertise in the area. Dr. James Mulvihill (Geography) is the program coordinator.

Courses are designed to acquaint students with concepts, procedures and planning techniques such as cartography and remote sensing (aerial photography and satellite imagery). Students also will have the opportunity to take a course in environmental impact reporting and to participate in internships. Six courses, a total of 30 units, are required for the certificate. It is possible to earn the certificate entirely through evening courses.

INCOME TAX ASSISTANCE PROVIDED ON CAMPUS

Free volunteer income tax assistance will be provided by the Accounting Association from 3 to 7 p.m., Wednesdays, and from noon to 4 p.m., Fridays, Feb. 2 through March 4 in the Senate Chambers of the Student Union.

Appointments can be made by calling the Department of Business Administration, Ext. 7711.

The 17 student volunteers from the association who will be providing assistance have completed two training sessions. Suzanne Cory and Mary Moran (Business Administration) are the club advisors.

The students will help fill out forms 1040, 1040 A, 1040 EZ, as well as California state income tax returns 540 and 540 A.

The Cal State, San Bernardino Coyotes will face the USC floor hockey club in a free game at 7 p.m. tomorrow in the CSCSB gym. Doors open at 6:30 p.m. Students, staff, faculty and the general public are invited.

INTERVIEWING WORKSHOPS FOR TEACHERS PLANNED

The Career Planning and Placement Center will sponsor two workshops for student teachers to help them prepare for job interviews. The workshops will be held from 3 to 5 p.m., Monday, Feb. 7, and Thursday, Feb. 10, in PL 67. The program will include a film, questions generally asked of applicants for teaching positions and videotaped interviews in a supportive setting.

TAX SHELTER ANNUITIES PROCEDURE IS CHANGED

The procedure by which payroll deductions for tax shelters reach the companies involved has been changed. Now, each deduction will be handled entirely by the State Controller's Office. Formerly, all deductions from the 19 CSU campuses were combined by the State Controller's Office into a lump sum which was sent to the Chancellor's Office to be distributed to individual companies.

The change is not expected to affect employees, but will mean that the funds are remitted to the appropriate companies in a more timely manner. After March 1, all questions regarding employee tax-shelter transactions should be referred to David Barrow of the State Controller's Office, ATSS 492-8105. In the interim, questions should be directed to Edmond Macias, Chancellor's Office, ATSS 635-5744.

ORANGE BOOK IN LIBRARY

The Budget Formulas and Standards Manual ("the orange book") published by the Chancellor's Office is available in the Reference Department of the Pfau Library. The call number is Ref/ LD/ 729/ C9/ A4.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.
