FEE INCREASE REFERENDUM VOTE TO BE NOV. 15-16

At the request of the Instructionally Related Programs Committee, President Evans has called a referendum on Nov. 15-16 for the purpose of deciding whether students wish to raise their IRA fee by \$10

per academic year to support development of an intercollegiate sports program on campus.

All registered students will be eligible to vote. Polling places will be established in front of the Library for all students except Serrano Village residents who will vote at polls in the Village quad. The polls will be open from 8 a.m. to 8 p.m. both days.

Students presently pay \$10 per year for IRA fees. The additional \$10 for intercollegiate athletics would be collected in the same manner as the original fee--\$4 for fall quarter, \$3 for winter, and \$3 for spring. The funds would be used for operational costs (such as insurance, travel, lodging) which cannot be supported by state funds.

A special Task Force on Intercollegiate Athletics recommended to President Evans last June that the college participate in NCAA, Division III athletics. The sports programs would be phased in over a five-year period, starting in the fall of 1984. First-year sports would include soccer (men), volleyball (women), cross country, basketball and tennis (both men and women). Added in the next four years would be: golf, swimming, water polo, baseball, and track and field or wrestling. Projected costs are \$150,000 for the first year (1984-1985) and rising to \$190,000 by the fifth year (1988-1989).

Information from the Task Force report will be available for review at the Student Union main desk, the Library reserve desk, the Activities Office, the Dean of Students Office, the Physical Education and Recreation Department Office and the Associated Students Office.

WORK INJURIES TO BE REPORTED TO HEALTH CENTER

All state employees who sustain a work-related injury or illness during normal working hours (8 a.m.-5 p.m.) must be given initial treatment at the Student Health Center.

The employee should immediately report the injury/illness to his/her supervisor, who makes a preliminary investigation and prepares the Supervisor's Injury Prevention Report (Form 620). The medical service order part of the form (pink copy) should be sent to the Health Center with the employee or as soon as possible in the case of an emergency. The rest of the form is sent to Art Butler (Public Safety), who is campus health and safety officer. Further information is available from Personnel, Ext. 7205, or the Health Center, Ext. 7641.

TRUSTEES RECOMMEND 12.6% HIGHER BUDGET

The 1984-85 CSU budget approved by the Board of Trustees Tuesday focuses on three goals: to bring technology into greater use by students and faculty, to counter recent years program erosion and to reduce student fees by \$90 per year.

The \$1,083,667,373 to be requested from the governor and Legislature is 12.6 percent greater than the appropriation for the current year. It represents, Chancellor W. Ann Reynolds said, a fair balance between the educational needs of 242,840 FTE students and the concerns about limitations on state funding.

Under the proposal adopted by the Trustees, annual student fees would drop to about \$602 next year. The first major fee reduction in the system's history, the decrease would bring fees to within a range allowed by statute and eliminate student fee subsidy of financial aids programs.

Gov. Deukmejian shares the board's desire to lessen educational costs to students, said Reynolds, who contends increases of the past two years have been too sudden and too extreme.

Most of the proposed increase will address the impact of two years of inflationary costs (\$18.7 million), full-year continuation of employee compensation increases going into effect Jan. 1 (\$44 million), student fee reduction (\$25.6 million), special repairs and maintenance (\$6.4 million) and critical needs to replace instructional equipment (\$3.2 million).

A major thrust will be to upgrade CSU computing capabilities, both instructional and administrative, and to enhance the technological expertise of faculty and students. An estimated 5000 faculty would participate in programs to upgrade their knowledge of computer systems.

Learning Assistance Centers would acquire a regular funding base on all campuses. Professionals from businesses, computer science and engineering accepting part-time employment in the CSU would be able to improve their teaching skills under another proposal in the budget.

The support budget is one of three financial requests submitted by the Trustees annually. In September the board requested \$30.4 million for capital outlay. The issue of compensation increases will be addressed by trustees at their November meeting.

CALICO TRIP SET FOR NOV. 5

Registration continues at the Student Union desk until Friday, Nov. 4 for the ESCAPE program's trip to the Calico ghost town Nov. 5. Cost is \$3 per person with 20 person maximum for the trip. CSCSB vans will leave the main parking lot at 8 a.m. that day.

**PRITCHARD TO PRESENT
FIRST FLUTE RECITAL**

A lighthearted exploration of 19th century flute music will be presented by Dr. Jerrold Pritchard at 8:15 p.m., Wednesday in the Recital Hall.

Dr. Pritchard, who joined the college this fall as associate vice president for academic programs and professor of music, is an accomplished flutist who has appeared with symphonies and opera companies throughout the midwest and west. He also was on the music faculty at the University of Northern Iowa.

His informal lecture-recital will feature movements and selections from many works which are primarily known only to flute players and seldom played in public. The music represents a "secret" repertoire of a lost "Golden Age" of flute music. Dr. Pritchard will be accompanied by Dr. Larry McFatter, pianist, and Karlin Eby, flutist, from the Department of Music faculty.

Tickets may be purchased at the door by persons not already holding season tickets for the Music at Cal State series. Admission is \$3.50 general and \$1.75 students and senior citizens.

**POLICE PRESENT
SAFETY SEMINAR**

The College Department of Public Safety will present a safety seminar, "Lady Beware," Tuesday at noon and again at 8 p.m. in the Pub area. Investigator Quentin Moses will lead the seminar which includes a film and a discussion period.

**FALL PLAY TICKETS
NOW ON SALE**

The 1983-84 Theatre Arts season opens Nov. 10 with "The Hostage," a drama about a British hostage held by the I.R.A. to be killed in retribution if an Irish soldier being held prisoner in Belfast is executed. A humorous musical drama,

the story takes place in a run-down brothel, whose eccentric residents sing, dance, joke, drink and tell stories of past glories. The play, directed by Dr. Amanda Sue Rudisill, continues Nov. 11-12 and 16-19.

Reserved seat tickets are now on sale at the Theatre Arts Department office (CA 175) or may be purchased at the door. Admission is \$4.25 general and \$2 for students and senior citizens.

**GRADUATE BULLETINS
ARE NOW AVAILABLE**

The 1983-84 Graduate Bulletins have arrived from the printer and are available without charge from the following offices: Associate Dean for Graduate Programs, AD 182; Public Affairs, AD 117; Bookstore; offices of schools or departments having graduate programs and the Admissions Office.

**EDUCATIONAL TOY
SALE THURSDAY**

The Children's Center Auxiliary Assn.'s second annual Educational Toy sale will be Thursday, Nov. 3 at the Novemberfest. Toys for children of all ages will be sold and cash, checks, Mastercard and Visa will be accepted.

FACULTY ART SHOW OPENS NOV. 2

"Then and Now," a contrast of old and new works by art faculty, will be the theme of this year's exhibit opening in the Art Gallery Wednesday. A reception honoring the artists, free and open to the public, will be held at 7 p.m. that evening. Gallery hours for this show, which will be through Nov. 19, will be 9 a.m. to 4 p.m., Monday through Friday and 7-9 p.m. Monday through Thursday.

The exhibitors include: Bruce Decker, Leo Doyle, Roger Lintault, Joe Moran, Jan Mrozinski, Michael Murillo, Ken Reed, Larry Thompson, Scott Ward and Don Woodford.

DORMS TO GET SOLAR WATER HEATING

Water used in Serrano Village may be heated with solar energy, if a complex financing agreement is finalized with a private firm. California Energy Investment Corp. of Mt. View is the successful bidder for this campus in the program endorsed by the CSU and the State General Services Administration.

CEIC would install and maintain the solar panels on the roofs of the eight houses in Serrano Village for five years. At the end of that time, the equipment can be given to the college, purchased by the college or removed by the CEIC.

On the financial side, CEIC guarantees the college will save more than \$86,000 in gas bills for heating water for the village during a 20 year period. During this time, the college will pay CEIC 95 percent of its prior gas water-heating bills. The amount earned by CEIC on its investment will depend on the effectiveness of the solar heating in cutting consumption beyond this level. The college may also receive a rebate estimated at \$66,000 from the Southern California Gas Co. during the next three years.

Construction of the solar heating system must be completed by Dec. 12, 1984.

AUW FILM TO BE SHOWN TODAY

A special Arrowhead United Way film will be shown today at noon in the Student Union Multipurpose Room. Free coffee and cookies will be provided and a representative will be present to answer questions.

This year's volunteer core includes: Marvin Newman, Mike Hickman, Harry Larson, Frank Hernandez, Sharon Sandahl, Kay Pettigrew, Charlotte Martinez, Dr. Gil Sanchez, Stella Feuer, Grace Goodrich, Dr. Terry Manyak, Tom Hemphill, Dr. Charles Christie, Mary Williams, Dr. Lynda Warren, Dr. Carol Goss, Dr. Jim Charkins, Beverly Dyer, Sandra Lyn Jensen, Kay Krause, Dr. Irving Buchen, Jan Lemmond, Maurey Huerter, Dr. Reginald Price and Dr. Ernest Garcia.

GOVERNMENT SERVICE SCHOLARSHIPS AVAILABLE

Sophomores interested in a career in government service may apply for a 1984 Harry S. Truman Scholarship. The award covers eligible expenses up to \$5,000 per year for the junior year, senior year, and two years of graduate study. CSCSB can nominate two students for this year's competition. Interested students should submit a letter of application, a statement of career plans, list of past public service activities, current transcript and a 600-word essay to Dr. Carol Goss (Political Science), AD 168 by Nov. 15.

In April 1984, the Foundation will award 105 scholarships nationally.

HALLOWEEN TO BE CELEBRATED MONDAY

A full day of Halloween activities has been planned by the Children's Center staff for Monday. The Student Services and Administration buildings will be among the first to be haunted by treat-seeking ghosts and goblins between 9:45 and 10:30 a.m. Next on the agenda are the Library, 10:40 a.m.; Commons and Student Union, 11 to 11:30 a.m. and the dorms at 11:30. Other events for the youngsters include a pinata celebration at 11:15 a.m., pumpkin carving at 1 p.m. and carnival games between 3 and 5 p.m.

DON'T FORGET FALL BACK

This Sunday marks the end of daylight savings time at 2 a.m. A turn of the clocks back one hour will ensure those weekend appointments will be kept.

EVENING OFFICE HOSTS OPEN HOUSE

The Evening Office in the Pfau Library will host an open house Monday and Tuesday from 5:30 to 8 p.m. both evenings. Located in PL 107, the office assists students who are on campus after 5:30 p.m. The office sells class schedules, catalogs, parking decals; and accepts payment for graduation checks and transcripts. Refreshments will be served. The Associated Students will sponsor the event.

LIBRARY ENTERS 10 MILLIONTH RECORD

The Pfau Library entered the ten millionth record into the On-line Computer Library Center database Oct. 11. The computer service is a bibliographic and cataloging agency serving more than 2,000 libraries in North America and Europe. Michael Burgess, chief cataloger made the entry, "Time Perception: A Function of Sex and Age," a thesis by Tina Podell Wein, psychology graduate student.

NOVEMBERFEST SCHEDULED

The Associated Students annual Novemberfest will take place Thursday outside the Student Union Building from 11 a.m. to 2 p.m. Featured will be games, club booths, a top 40 band and the Ferges Troupe, a comedy trampoline act. Some clubs expect to have food concessions.

MECHA SPONSORS CHARITY EVENTS

MECHA will be sponsoring two charity events which will provide Thanksgiving food baskets for needy families in the San Bernardino area. Their canned food drive will begin Nov. 1 with drop boxes in the Housing Office at Serrano Village, the Student Services Atrium and the Student Union. The drive will continue until Nov. 18.

There will also be a bowl-a-thon Nov. 11-12 from noon to 6 p.m. both days at Arrowhead Lanes in San Bernardino. Donations may be made in the form of a penny per pin or a \$5 donation. The event is open to faculty, staff and students for participation.

PROFESSIONAL
ACTIVITIES

Dr. David Decker (Sociology), Dr. David Shichor (Criminal Justice) and Dr. Robert O'Brien of the University of Oregon have an article, "Periodical Prestige in Criminology and Criminal Justice," in the August, 1983 issue of Criminology.
