## COLLEGE PLANNING ADVISORY COUNCIL MEMBERS NAMED

Fifteen faculty, staff and students will serve on the first College Planning Advisory Council, an advisory body created to broaden the base for planning and budget activities.

Business Manager Leonard Farwell will chair the council, which will have its first meeting early in winter quarter. Members of the council, selected by the various constituent groups, are:

Faculty: Dr. Ronald Barnes, School of Humanities; Dr. David Lutz, School of Social and Behavioral Sciences; Dr. Naomi Caiden, School of Business and Public Administration; Dr. Ruth Wilson, School of Natural Sciences and Joseph Gray, School of Education.

Staff: Glenda Boatner, student affairs; Sharon Sandahl, administrative affairs and college relations; Kathy Shepard, business and finance; and Roma Sill, academic affairs.

Student representatives: Brad Johnson and Mitch Slagerman.

Administrative representatives: Leonard Farwell, business manager; Robert Lohnes, plant operations; Dr. James Thomas, academic resources; and Dr. Peter Wilson, dean of students.

The functions of the Council are expected to evolve as the group begins to work together to assist with major planning activities, including development of the annual operations budget.

**HOLIDAY TIME  
TO BE DEC. 21**

The Administrative Council designated Wednesday afternoon, Dec. 21 for unit or building holiday gatherings. Gatherings are limited to two hours and offices should remain open and provide phone coverage. The period is not to be considered holiday time. Normal college regulations regarding the use of vacation, CTO or sick leave apply.

**LOST ARTICLES  
SALE NETS \$105**

The Cal State Associates netted \$105 from a yard sale of unclaimed lost and found items from campus. Funds from the Nov. 26 sale, held at the home of Dr. and Mrs. Dennis Pederson, will be put in a Foundation scholarship fund. Unsold items including prescription eyeglasses and sunglasses were given to the Lions Club for their service project. Remaining clothing was sent to the Lighthouse for the Blind and novels and non-textbooks were given to the public library book sale.

**NEW ACTIVITIES ADVISOR  
ARRIVES ON CAMPUS**

A University of Wisconsin graduate is the new activities advisor. Clare Sharafinski, who arrived on campus during fall quarter, is advisor to the 55 clubs and organizations on campus. She earned her B.A. degree in psychology and is pursuing a certificate in personnel management and employee relations from the University of California, Riverside.

"I feel right at home here at Cal State," she said. "Everyone has given me a warm welcome and made me feel like an important part of the college."

## ATHLETICS TO BE IMPLEMENTED ON CAMPUS IN FALL 1984

Intercollegiate athletics will be introduced to the Cal State, San Bernardino campus beginning next fall.

As a result of the Nov. 15-16 referendum, in which students overwhelmingly voted to assess themselves a higher fee to fund athletics, President Evans is proceeding to implement an intercollegiate athletics program as recommended last June by a special college-wide task force.

On a 2-1 vote, students last month approved a \$10 a year increase in their Instructionally Related Activities fees. President Evans now is requesting Chancellor W. Ann Reynolds for authorization to begin the fee in the spring quarter of 1984. Funds generated by the \$3-per-student spring quarter fee are needed to begin four sports in the fall quarter.

The first programs would be men's soccer and cross-country and women's volleyball and cross-country. In the following winter quarter, men's and women's basketball will be launched. Tennis for men and women is scheduled for spring 1985.

Another facet of the task force recommendation being implemented now is the filling of a half-time athletic director position as quickly as possible. The search is currently underway.

## DON'T LOSE LEAVE CREDIT

College employees have been sent a copy of their annual statement of leave credits. The statements indicate to some employees the number of hours of vacation credit that will be lost if not used by Jan 1.

Employees must use their personal holiday before Dec. 31 or it will be lost.

## SOME SERVICES CLOSED DURING HOLIDAY BREAK

The computer classrooms in the Pfau Library--PL 5, 17, 52 and 54--will be closed the week of Dec. 19-23 for re-carpeting. Installation of new floor tile in the Library basement was scheduled for completion today. The moving

of heavy equipment in the hallways was separating the carpeting from its backing so it is being replaced with the tiles, said Marv Newman, building maintenance worker.

Service on the first floor of the Library remains interrupted because of recarpeting. It is recommended to call the circulation desk, Ext. 7334, or the reference desk, Ext. 7335, until Jan. 6 before visiting the Library.

There will be no medical services available at the Student Health Center from Dec. 27 through Dec. 30. Staff may be reached during that time at Ext. 7641.

Also, the Student Union will remain closed until Jan. 3. Staff may be reached by phone, Ext. 7757. The Evening Office will reopen Jan. 7.

In the Physical Education and Recreation Department, the equipment room and building facilities will be open from 8 a.m. to 4:30 p.m., Dec. 19-22; and 10 a.m. to 2 p.m. Dec. 23. The large gym will be closed from Dec. 27 for registration preparation. Equipment and locker rooms will be open Dec. 27-30, from 8 a.m. to 4 p.m. The courts will be open from 4-8 p.m., Dec. 16, 19, 21, 23, 28 and 30.

Payday will be Friday, Dec. 30 at 3 p.m.
