MORE COURSES INCLUDED IN FEE WAIVER PROGRAM

The campus Senior Management Group has liberalized the definition of career development courses under the fee waiver program. Changes will be effective this fall.

Eligible employees may take any course outside normal working hours as a career development course under the fee waiver program. "This is a significant change in philosophy about the program and characterizes the support of this group for the development of our human resources in order to obtain the goals of the campus," according to Sandra Jensen, personnel officer. Employees must apply for regular admission to the college.

Interested employees should contact the Personnel Office for information on eligibility, applicable deadlines and the required fee waiver forms.

ORGANIZATIONAL CHANGES MADE IN STUDENT SERVICES

Several changes in titles and in lines of reporting will be made in the Student Services area, effective July 1, according to Dean of Students Peter A. Wilson.

The title changes are: Dr. John Hatton, to associate dean, counseling and health services (from associate dean, counseling services); Don Kajcienski, to associate dean, enrollment services (from associate dean, admissions, records and outreach); and Doyle J. Stansel, to associate dean, student life (from associate dean, student services).

Dean Hatton will assume responsibility for the Student Health Center. Financial Aid will be moved from Dean Stansel's area to Dean Kajcienski, as part of the admissions and outreach program. Dean Stansel now has direct responsibility for Housing. Moving back to his area will be the Activities Office. Dean Stansel now is a member of the Student Union board and will work closely with the Student Union staff. No changes are made in the scope of Dr. Tom Rivera, associate dean, educational support services.

SUMMER CLASSES IN SESSION

Summer session opened Wednesday with more than 1100 students enrolled on the first day of classes. The initial figure is about 10 percent higher than the same date last summer. Late registrations for Session I (June 20-July 26) will be accepted through Monday. Registrations for Session II (July 30-Aug. 20) and Session III (July 30-Aug. 31) also will be accepted through Monday. After that day, students must wait until the second registration period which is July 23-27. Only 11 classes have been cancelled, due to low enrollment, from the schedule of about 100 offerings.

**NUMBER NEEDED
FOR CDS CLAIMS**

Employees enrolled in the California Dental Service dental plan must give the correct group number to the dentist before claims can be filed. The number, 4018, should appear on all claims to CDS. Booklets describing current coverage, both regular and enhanced, are available from the Personnel Office, Ext. 7205.

**ART PERSONNEL
NOW RELOCATED**

Art Department secretary Colleen Corbin and slide curator Mary Andonov are temporarily relocated during construction of the Visual Arts Building roof. Mrs. Corbin is in PL 236B, Ext. 7459. Mrs. Andonov is in a faculty office, SS 127, Ext. 7717.

**PACIFIC FEDERAL GIVES
FINANCE SCHOLARSHIP**

A \$200 scholarship, to be awarded to the most outstanding senior majoring in finance, has been funded by Pacific Federal Savings and Loan Assn. Upon recommendation of the Finance faculty, the scholarship was awarded to Catherine Verge Martin. George Webster, Pacific Federal's vice president for business development, made the presentation at the School of Business and Public Administration annual awards banquet June 1.

**PACIFIC REVIEW
NOW ON SALE**

The Pacific Review, the college literary magazine, is now on sale in the Bookstore for \$3.50. The 180-page publication contains poetry, prose, photos and illustrations by Cal State faculty and students as well as noted authors. Sandy Fredriksen, a graduate student in English composition, was the editor.

REMINDERS

Personnel Office, SS 151, will host an open house from 10 a.m. to noon, Tuesday.

The Bookstore will be closed for inventory Friday, June 29.

**VERIFICATION NEEDED
TO START TAX SHELTER**

Effective immediately, employees who enroll in a new tax-shelter annuity program are advised that no payroll deduction will be made until a letter of verification from the annuity company--not the selling representative--is received by the Personnel Office. The Chancellor's Office has instituted this requirement because the CSU has more than 600 unidentified accounts at this time.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.
