March 8th 1967

CSUSB
DISCUSSION GROUPS A HIT!

During the past week, the College Reading Program entered a new phase. The Reading Committee experimented by allowing students to participate in discussion sessions concerning the assigned book, Inquest. By attending and participating in one of the scheduled discussions, a student would not have to take the required exam on the book.

Initial comments on the results of the experiment were favorable. Members of the faculty, the group leaders, and the participating students overwhelmingly approved of the new concept in the Reading Program.

Mrs. Kathryn Sorben, SB State student, expressed a typical remark about the discussions. "The discussion groups brought together many enlightening and varied ideas about the book, Inquest," she said.

Another student, Jim Perman, said that "the groups enabled the student to explore both sides of the controversial book."

Discussion leaders Peter Shapiro and Joe Jerz both commented that many students stayed longer than required in the groups which they led. They also stated that the discussion sessions were not long enough and would like to explore the possibility of extended sessions for students interested.

Dr. Lee Kalbus, member of the Reading Committee, also expressed his delight with the success of the discussion groups. He said that the discussion sessions appear to be a permanent feature in the future of the program. He also stated that about 150 students participated in the discussion groups. The discussions were held at six different hours and were divided into fourteen separate groups. This enabled the groups to be small enough for adequate individual participation.

Dr. Kalbus added that the Reading Committee would greatly appreciate suggestions for the selection of the program's next book.

The members of the Reading Committee have expressed their gratitude to all the discussion leaders who helped make this new phase a success.

THREE TAKE SENIOR COMPREHENSIVES

The first comprehensive exams in the history of the college were given to three political science majors, March 6. Richard Bennecke, John Skeete, and Ed Sheeran took the examination which was designed to test their knowledge of the discipline of political science.

The examination covered the four basic fields of the study of politics: Questions were posed concerning American government, international politics, international comparative government, and political philosophy.

The tests will be read and graded separately by the members of the political science department.

A RALLYE GOOD TIME

It was not with a little hesitation that I consented to participate in the Cal State Motor Enthusiasts Club's Gimmick Rallye. Rallying is an old favorite sport of mine which combines driving skill with other essentials such as map reading, mileage and time computations, and keen observation. However, the MEC rallye officers instilled immediate suspicion with the announcement that the rallye was to be officially called "LOST I."

If there is anything that strikes fear into an old rallye hand, nothing is quite effective as being lost on a long and complicated rallye. For those of you who are unfamiliar with the honored sport of the car rallye, let's take a short look at the rules of the game. Running rallyes has long been an activity reserved to the sports car club. Usually all that is required is an efficiently tuned car, local road maps, a slide rule, and accurate mileage indicators. Usually this latter instrument is supplied with the car's speedometer, but of late, a breed of fan has outfitted his machine with speedometers, odometers, and time indicators which are certified accurate to the thousandth.

When the rallye car reaches the starting point, the rallye master presents him with a package of precise directions which will lead the driver and his navigator across the plotted course, through the required checkpoints, and on to the finish. The car (cont. p. 3 col. 1)

CAL STATE STUDENT WINS RESEARCH FELLOWSHIP

Mrs. Mary Ditto, a sophomore Biology major, has just learned that she has been awarded a Summer 1967 Student Research Associates Fellowship from the California Heart Association.

The purpose of the Summer 1967 undergraduate research training program is to encourage gifted science students to consider careers in cardiovascular research.

Mrs. Ditto will be assigned to a leading research laboratory in California engaged in cardiovascular research for a ten-week period during the summer. She will work under the direct supervision of experienced scientists, and will receive a stipend of $750 for the period.

Mrs. Ditto resides at 6658 Robinson Road, in Highland.

CIRCLE THE DATE ON YOUR CALENDAR

The Activities Committee is planning a bus trip to the Los Angeles County Art Museum on Saturday, April 8. This will be the first of the charter bus trips for students, faculty and staff. The cost will be approximately $2 25 per person. Watch for details next quarter.
BECKET TO BE PRESENTED THIS FRIDAY

The Lectures and Public Affairs Committee will present BECKET this Friday, March 10 at 3:45 in C-116. A second showing will be presented at 7:30 Friday evening.

This will be the last presentation of the Lectures and Public Affairs Committee this quarter. Watch the COMING EVENTS column in this paper for next quarter's program.

The ASB Activities Committee will sponsor a coffee talk after the afternoon and evening showings of the film.

Ringers Clinch First

March 3rd saw the end of the CSCSB basketball tournament. Due to the coming of finals, it was felt that no other formal games would be played, and the completion of the tourney should be made.

Only three games were scheduled Thursday to allow all four teams to end the tournament with the same number of games.

In the first game the Ringers, playing the Frosh plus one, squeaked by with a narrow 24-22 victory. Led by Ron Cutler, Tom Finch and player-coach Dennis Wilson, all having 6 points apiece incidentally, the Ringers jumped ahead in first place to a 24 game margin. Freshman Dave Hughbanks had top scoring honors with 7 points.

In the second tilt, the Faculty was matched against Theta Mu Omega, with the Faculty ending up the victors at the final whistle by a 16-14 margin. Jerry Cook's 8 points led all scoring while Dr. DeRemer's 6 led the faculty.

The final game saw the Faculty subdued by the Ringers. Seeking revenge for their only loss of the tournament, suffered last week at the hands of the Faculty, the Ringers, leaving something to be desired in the scoring column, nevertheless eked out a 15-12 victory over the Faculty. Mr. Swire led his team and all scoring with 8 points, but Ringer Bill Lee was close behind with 7 points.

After the Spring break, a softball tournament will be started, with games to be held on either Wednesdays or Thursdays; so, start getting your teams organized.

Sign-ups for a Proposed Golf Tournament are now being taken. Interested players should contact Mr. Dale Swire in 1-138.

The College Chorus will meet Mondays at 3:30 in room C-116. Handel's Saul will be the principal work studied.

EUROPE

One Way

Charter Jet Flights

Paris to San Francisco
August 2 & August 4, 1967

San Francisco to Paris or Brussels
August 31 & September 3, 1967

A limited number of spaces is available for faculty, staff, students of The California State Colleges.

FARE: $225, ONE WAY

For information:
Office of International Programs
The California State Colleges
1600 Holloway Avenue
San Francisco, California 94132

NOTE: Flights are designed to take students to Europe for the academic year--this is not a round trip flight to Europe.

Auditions for Spring Play

The Players of the Pear Garden are announcing auditions on March 29 & 30 at 7:30 pm in C-116 for Noel Coward's HAY FEVER. The play calls for five women and four men; however, if you are interested in working in the production crew, please attend the auditions.

ROOMMATES, ANYONE?

The Housing Office reports it is offering a new service on the campus. Lists of students seeking a roommate will be kept for your convenience. The information will be name, age, current telephone number, and approximate rent range. The House Office is located in room A 148.
Rallye continued

with the best driving time, average speed, or mileage wins. However, the whole thing is not as easy as it sounds. The rallye instructions are usually complicated and require constant attention of the part of the navigator and driver. The course is plotted out with the aid of landmarks, road signs, billboards, business establishments, and whatever else may enter the mind of the officials. The directions may read something like this: "continue north of US 395 to a point six tenths of a mile past the second Shell Station on your right. Here you will make a 90 degree right turn and accelerate to 60 mph by the time you pass the oak tree on the left. Continue at 60 mph for 5 minutes and 30 seconds then turn left at first opportunity." The rallye will be described in this manner throughout the course.

Checkpoints are usually provided throughout the run so that drivers can check the accuracy of their position and to provide officials the opportunity to check the participants.

The lost rallye driver is really a scene of despair. He must go back over the course in an effort to find his mistake. Oftentimes he has not realized his mistake until his directions suddenly do not jibe with his new course. The Motor Enthusiast's recalled many lonely moments spent in the middle of the Mojave Desert poring over a road map, attempting to recalculate our course.

The gimmick rallye is another thing altogether. The directions are given in relation to landmarks, gas stations, and road signs. The mileage and time indications are left out of the gimmick rallye. The contestants must answer questions throughout the course. The queries are usually oriented to the local area in which the directions are given. For instance, in the MEC rallye, the question, "What type of race car is driven here?" was posed. The answer, in this instance, lay in the name of the street, which at this point was Chapparal.

The MEC Rallye terminated at Shakey's Pizza in Redlands. All teams had to relate their harrowing experiences over pitchers of foaming brew and platters of pizza. Everything from John Skeete's traffic ticket to Pat Landon showing up an hour and a half late were told and retold.

Hopefully the Motor Enthusiasts will again start the ball rolling and sponsor another rallye, but without the 'lost' bit.

UCR Extension Offers Course

University of California Extension, Riverside, will be offering a short course in Activities and Games for the Mentally Retarded during the Spring Quarter, 1967.

The course is intended for the layman, will be practical in its approach, and will emphasize skills needed to participate in recreation programs for the trainable mentally retarded. Training and observation of mobility, hand skills, concept development, speech, rhythms, and music will be demonstrated and discussed by the staff of the Slover Special School in Fontana as coordinated by Virginia Primrose, principal of the school.

The course will be offered on Mondays from 2-4 pm for six meetings beginning April 10, 1967.

Viet-Nam Forum in SB

The Social Action Committee of Temple Emanu-El in San Bernardino will present, Forum Viet-Nam, an open discussion of the Viet-Nam situation and implications. Featured panelists will be Dr. William Moore, professor of political science at San Bernardino Valley College, Mrs. Woodrow Miller, civic and community leader, and Rabbi Richard Levy, coordinator of the Committee of Concerned Clergy, assistant Rabbi Leo Beach of Los Angeles, and Mr. Hyman Haves, regional director of the Jewish War Veterans of America. The panel will be moderated by Dr. Robert Morlan, chairman of the political science department of Redlands University. Following the speakers' presentations, there will be opportunity for audience participation in "buzz sessions" and discussion.

The Forum Viet-Nam will be held this Sunday, March 12 at Temple Emanu-El, 3512 North E Street, San Bernardino. Admission is free and refreshments will be served. The public is invited to attend, and student participation is urged. Those interested may contact Mrs. Michael Schon, Chairman of The Forum Viet-Nam Program, Temple Emanu-El Social Action Committee.

DEL ROSA GRANGE PRESENTS CHECK TO COLLEGE FUND

A check for one hundred dollars was presented March 7 to the Student Loan Fund of the college by the Del Rosa Grange, Number 711.

Mr. Charles Neumayer, Master of the Grange, made the presentation. He was accompanied on his visit to the campus by Mrs. Ada Cowdry and Mr. and Mrs. Raymond Ritchie, all members of the committee on community progress which provided the gift. Another member of the committee, Mrs. Elsie Tarliff, was unable to be present.

The Student Loan Fund and the Scholarship Fund, both of which are held by the College Foundation for use on the San Bernardino campus, represent ways by which local community groups may provide much needed funds for scholarships and for emergency, short-term loans.
