NEW OPENINGS OFFERED

NISEI IN U.S. ARMY

New and greater opportunities for Nisei men to serve in the army of the United States came to Poston today in the form of a special announcement from the War Dept. Under this directive a new group of Nisei will be eligible to join the more than 35 men who have already applied for entrance into the Military Intelligence Language School, Savage, Minn. Staff officers representing the Commandant of the School will be in Poston shortly to meet with the 35 who have already taken their examinations and new groups who are interested.

This opportunity is open to both single and married men alike.

The new regulations, as forwarded to Norris E. James, Press and Intelligence Officer by Maj. Karl T. Gould, are as follows:
1. Applicant should have at least a high school education in this country and must have a fluent command of the English language.
2. He must have an adequate command of the Japanese language, both oral and written. He should have facility with use of "hira-ha-a", "kata-kana" and a good number of "kanji" normally used in written Japanese.
3. He must be physically fit for field service.

Poston Nisei men who meet this qualification will be given the opportunity of volunteering for enlistment in the United States Army.

Applicants after passing the regular Army physical examinations will be inducted and sent to the Army Language School for a further intensive training of six months, and upon completion of the course will be sent out into the field with combat troops. "The duties definitely will not be of espionage or secret type of work," writes Maj. Gould.

"Prospective applicants and those interested should try to settle their personal affairs so as to be ready to leave Poston with the recruiting office," reports Mr. James.

Maj. Gould, in his announcement continues: "The response to this plan for Nisei to enlist in the Army will be looked upon as the acid test of whether the requests for opportunity to enlist being made through the various Nisei publications are made in real sincerity backed up with action. It is the first step in re-appraising the status of Nisei under the Selective Service, and the standing and treatment to be accorded the Nisei under future changes in the Selective Service, as well as their post-war status, will depend to a great degree on the Nisei re-action to this plan."
Terry Ikuta and Shizue Aoyagi's steady passes plus Mary Shizuo Nakano and Tom Kitaoka's swift serves gave the Chickadees the winning game over Sumi Naito's undefeated Mesquites. Coeds now remains the only undefeated team in the volleyball series, as the Esdee vs Bomberettes game ended in a tie because of darkness, it was played last night for decision.

A NEW WAY OF LIFE

Relocation center conditions call for a sudden change in attitude towards society, a rejection of the old scheme of "rugged individualism." It might as well be faced right now that we are in a situation where definitely we must function more as social beings knitted into group activity and not as isolated competitive individuals.

Even in the outside world the "go-getter" and success stories of Horatio Alger had long ceased to catch the imagination of the people. Social consciousness was noticeably on the increase. For us evacuees, however, the change of evaluation, which is gradual on the outside, must come almost overnight.

It cannot be said too emphatically a way of life is ever for us, and, with it, the old ways of getting ahead. The frontiersman moving into the wilderness and the captain of industry moving down his competitors do not fit into the modern scene. To complete our adjustment to center life the inconsiderate, paddle-your-own-canoe (not to say dog eat dog) attitude must be replaced by cooperation and concert.

Many of us who note this tendency bewail it bitterly, as likely to dim the cherished virtues of self-reliance and initiative. Perhaps it is not. But, if it does, it seems foolish to mourn them unduly. A great deal of the behavior which has gone under their noble name has been anything but noble.

At any rate there is no escaping the necessity for curbing the practice of acting solely for our self interest. And in so changing we also must see other values than those of material gain or personal advancement.

SELF ESTEEM

If all the patient work of all the psychologists and psychiatrists has proven anything, it is that without self-esteem no one lives happily or effectively. We can manage to get along without much social recognition, but we need to think well of ourselves. Group esteem, we know, is chiefly valuable for its dramatization and strengthening of our cherished opinion that -- as one evacuee put it -- "in spite of our handicaps, we are useful and respectable, doing pretty well considering the lack of equipment and material and numerous other difficulties we have to overcome."
"TSUKEMONO" INDUSTRY PLANNED

The Industry Dept., headed by Takeyoshi Karakane, declared yesterday that "since the daikon is now reaching its harvesting period," tsukemono process must be prepared to complete the planned project.

The process, which is now being individually made at each mess hall, will meet on a "larger scale," operated by the Industry Dept. The blue print calls for construction of a building 100 X 20 ft., with concrete flooring, heavy rafters, and beams. Under this roof the workers will turn out "tsukemono" in quantities for the residents, who "like them."

The entire staff of the Industry is due to work on the truck crew, to help them carry home the native trees for milling the BDPTN NOTICE

FIRST SHIPMENT OF CHAIRS ARRIVE

The initial carload of chairs---with many more due to arrive---made its appearance at the local warehouse last Mon. Nov. 3.

"These will be distributed equally among the four schools in Units 1, 2 and 3. It will be another several weeks before all the requisitioned chairs could be had in these schools," Dr. Miles B. Cary, Ed. head asserted.

Meanwhile, students are advised to "continue bringing stools" to their classes until the supply is met.

DISPATCH SITE CHANGED FOR CARS

"The new locale for dispatching cars and trucks will be the lot east of Ad. Bldg. 1, instead of the garage where it had previously been the dispatching headquarters. All trucks must report at 5 p.m., but trucks required after 5 p.m. must receive written instructions from the Transportation Dept. at the old Hospital Annex," quoted Wm. A. Barrett, truck dispatcher.

UNIT TWO T.C. COUNCIL
TRANSLATES BULLETINS

Taking the 220 team, "A" knock out, in two
straight games, 221 Shamrocks captured the
Poston 2 softball crown with a 7-0 win Wed-
night.

In the first with one
man on by an error, T.
Miyamoto teed off for
a home run to give the
"AA" champions a com-
fortable advantage.

Extending their lead
in the third, the Sham-
rocks scored 3 more
runs on 2 walks and 2
hits. 220 blew the
race in the fifth by
making 3 errors and
allowing in 2 runs.

220 threatened in the
last with bases loaded
but were ble-
ked when 3 men struck
out. B. Shirmizu sma-
ched a triple for the
lone hit. With his
home run and hit, T.
Miyamoto led the
221 batters.

G. Nishikawa, Shams-
rocks' all-star chucker
allowed only one hit
and struck out 10.

LINOLEUM LAYING BEGINS

Linoleum laying in the dining halls at Poston III started with a real bang yesterday morning at the 305 block. With a hard-working crew from the maintenance department on the job, helped by residents of the block, a pounding noise could be heard throughout the block.

All kitchens will have linoleum within a short time, it was pointed out.

YOUTH PASSES AWAY

Tatsuo Sakata, 23, son of Mr. and Mrs. M. Sakata passed away at the Somoma Hospital Sept. 30 after a prolonged illness. His remains were brought to Poston III and last rites were held at the 30 block.

A group of "rowdies and queers" who are never invited to parties or dances and are always left out socially got into a huddle and decided it was high time that they organized a club of their own to better themselves socially and intellectually and show the general public that they are regular fellows. Today a unique club by the name of "Twenty Squares" is in existence. The club is composed of twenty members between the ages of 17-20, and is sponsored by and under the close scrutiny of the police department. The advisor for the organization is Kat Manaka.

The Employment office requests that the recent arrivals from Santa Anita come in for interviews. In this way, placements can be made for jobs in which you are better qualified.

STUDENTS CONTRIBUTE IN WAR EFFORT

Literally "killing two birds with one stone," the whole student body of Poston III High will go out into the cotton fields early tomorrow morning to do their part in the war effort as well as raise the much needed funds for their treasury. These earnest students have been doing their share of cotton picking ever since this grave problem of labor shortage was first brought to the attention of Poston residents, with the senior, junior and sophomore classes as well as the AE club having spent a day in the fields.

317 RAMS ROLL OVER 316 TROJANS 12-6

In a touch tackle game held Sunday the 317 Rams bowled over the big 316 Trojans. The Trojans outweighed the Rams considerably but the lighter Rams depending on their speed and blocking scored two touchdowns to walk off with the win.

The first score was scored by the trojans on a long slasher pass to M. Hashimoto from G. Shimaji. Then the Rams came back to score a touchdown when there was a mad scramble on a pass thrown in the end zone and batted into T. Sakata's hands. The final score was made by T. Kuno who returned a punt and scored with some beautiful place of running and some good blocking from his teammates.
CONTEST RETURNS
"CAMPUS LOG" WINS BY NGSE

The winning title for the school page is the "Campus Log" submitted by Betty Nita and Chitose Shintani of Miss Kikue Takata's 7th and 8th period Core class. It has been arranged for the prize of one month's subscription to the Press Bulletin to go directly to the class room rather than to any individual. Although the judges were snowed under with contributions the Campus Log won by a close margin. The Staff wishes to thank everyone who participated in this contest and for all the entries turned in.

A good time is planned by all. Let's all be there.

STUDENTS PICK COTTON

The first group of High School students left for their day of cotton picking from in front of the Administration Building at eight o'clock Monday morning. They were taken to the Indian Trading Post where they were taken to the fields by their employers. The students picked both short and long staple cotton. They received four cents for the long staple and one and three-quarter cents for short staple. The work was over at three o'clock when the students were brought back to camp.

Cotton picking was enjoyed by all the students. They claim that it was something different and somewhat enjoyable.

Favorable reports come into the office concerning the cotton pickers. The students did better than what was expected of them from the employers. Students reported back that they were very well treated by their

STUDENTS MEET IN 210 MESS HALL TO DISCUSS COTTON PICKING

The first student body meeting came to order Thursday October 29, when the school principal, Mr. D. McLaren, gave an appeal to the students to work in the cotton fields.

Representatives from each class were present in order to clarify the questions of the students.

The distribution of the money earned was the main topic of discussion.

After a long discussion the students decided to go to work. All those willing to work were asked to sign up with their Core Studies teacher. Going to work was not considered compulsory.

Kay Harada was elected temporary chairman of the meeting and Gene Nakamura was appointed temporary secretary by Mr. McLaren.

KOBARA PICKS 73 POUNDS

Among the senior cotton pickers Michi Oka Sue Etow, and Takako Yagi picked the heaviest. They picked 29, 28, and 26 pounds respectively. All the seniors picked long staple cotton.

Among the Juniors, 73 pounds of short staple were picked by Yoichi Koba. For the girls Kay Kinbara totaled fifty-five pounds. A group of juniors picked long staple cotton. June Sugidono picked the most, thirty-three pounds, breaking the senior record. All the juniors mentioned how much they enjoyed working.
