GREETINGS, from the BOARD of TRUSTEES of the CALIFORNIA STATE UNIVERSITY

Martha C. Fallgatter

PRESENTATION of OUTSTANDING PROFESSOR AWARD

President Anthony H. Evans
The audience is requested to remain seated until the graduates, faculty and platform party have exited.
The university mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The university mace was designed and fashioned by Mark Petherbridge with technical supervision from Roger Lintault, professor of art. The head of the mace, cast in silicon bronze through the traditional lost wax process, bears the logotype of the university on the crest, surrounded by symbols of education. The shaft is constructed of rosewood, chosen for its rich color, and trimmed with laminated maple strips. The mace, including the bronze tip, is approximately 27 inches long.

United States universities have now standardized the academic regalia so that its features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree held: pointed sleeves for the bachelor's degree, short sleeves for the master's degree and round full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual was graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

At California State University, San Bernardino the velvet binding on the master's hoods is light blue for education and rehabilitation counseling, dark blue for psychology, light brown for administration, white for English, golden yellow for the sciences and citron for national security studies and criminal justice. The brown silk chevron and the blue lining depict the university's colors.

The field of study is indicated by the color of the velvet facing (under the chin) on the hood of all master's and doctor's degree holders.
Class of 1988: Students eligible to participate in the 1988 commencement exercise are the December 1987 and March 1988 graduates and the June and August 1988 candidates for degrees.

Graduation with Honors: Honors at graduation are awarded to undergraduate students in three classifications based upon all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Honors, 3.5; High Honors, 3.75; and Highest Honors, 3.9. June 1988 and August 1988 candidates for degrees are listed with honors as based upon their grade-point averages at the conclusion of the winter quarter. Departmental honors awarded by the student's major department are indicated by a symbol.

Phi Kappa Phi: In recognition of outstanding academic achievement, students graduating in the top 10 percent of their class are invited to join The Honor Society of Phi Kappa Phi. The national honorary society recognizes and encourages superior scholarship in all academic disciplines. Membership in The Honor Society of Phi Kappa Phi is indicated by a symbol.

Photographs: Family and friends of graduates are requested to remain within the designated area when taking photographs. The Alumni Association has arranged for a commercial photographer to take pictures of each graduate receiving a diploma.

Student Volunteers: Students in the following groups are serving as ushers and in traffic control as part of their volunteer service to the university: Alpha Delta Pi, Alpha Phi, Delta Sigma Phi, Phi Beta Sigma, Sigma Chi, Tau Kappa Epsilon and University Ambassadors.
