The BULLETIN

PRESIDENT AND MRS. PF AU
EXTEND SEASON'S GREETINGS

We wish to express to all of you our sincere best wishes for the holidays. May your Christmas be merry and may the New Year be happy and prosperous!

John and Antreen Pfau

NANNENBAUM

It has been decided that the College should have a Christmas Tree and one has been placed in the Administration Building. However, since the College has as yet no Christmas decorations stored in its attic, we are asking that staff members bring an ornament or two with which to decorate the tree.

CHANCELLOR TO CONFER WITH GOVERNOR-ELECT

Chancellor Glenn S. Dumke will meet with Governor-elect Ronald Reagan on December 21 to discuss state support for the 18-campus State College system next year. The meeting in Los Angeles will be to review the budget. The State Colleges expect an enrollment of 190,000 next year.

CAMPUS DEVELOPMENT

A contract has been signed with low-bidder, Mr. M.C. Larson of La Puente for items to complete the initial buildings in the amount of $14,600. Included will be some electrical wiring, rain gutters (hurrah!) and some remodeling.

BOWLING ANYONE?

Fred Cordova (Physical Plant) and Lois Peters (Humanities) invite all students, faculty and staff who are interested in organizing a college bowling league to meet with them on Wednesday, December 21 at 7:00pm in C-116. Mr. "Pete" Molina, of San Hi Bowling Lanes, West Highland Avenue, will be present to explain procedures and answer questions.

PUPPIES ANYONE?

Mrs. Nancy Williams (Admissions) has nine puppies (German Shepherd type) who need good homes. Her telephone number, as given in the last Bulletin, is 884-1363. SHOP EARLY FOR CHRISTMAS.
NEWS OF THE FACULTY

Dr. Charles Slaughter (Education) was nominated to the Board of Directors for CAPEE (California Association of Professors of Elementary Education) at a state-wide meeting of the organization held last week at Pepperdine College. The appointment is effective in May 1967.

Dr. Ward McAfee (History) has been awarded a grant for summer research from the American Philosophical Society to continue his study of California Railroad Politics, 1850 to 1914. He plans to spend the summer in the Bay Area examining the resources of the UC Berkeley, Stanford and other libraries.

Mr. Doyle Stansel (Placement and Financial Aid) has been invited by the Bakersfield Chamber of Commerce to participate in a conference displaying the schools and commercial developments of Bakersfield. Since the Chamber expects to transport its guests by private airplane and otherwise offer a royal treatment to its visitors, Mr. Stansel may return with his head still in the clouds.

Dr. Leslie Van Marter (Philosophy) participated in a discussion of the "Is God Dead?" controversy on Channel 24 20th Century Dialogues. The program was broadcast twice on KVCR-TV last week and a radio version was aired this Wednesday. A re-broadcast may be heard either this Saturday, December 17th at 3:00pm on KBBL-FM or on Sunday, December 18 at 8:00pm on KCKC.

Dr. Peter Marcy (Associate Dean for Academic Affairs) represented the College on Tuesday at a workshop and luncheon meeting of the University Extension's course: "The Next Step: Choice and Challenge." This popular course for women who may want to continue their career or education after their children are grown will be given again next quarter.
