BENEFIT FOR FLORENCE

A week of "Italian Festivities" for the benefit of CRIA (The Committee to Rescue Italian Art) will begin on the Riverside campus of the University of California Sunday, April 2. A schedule appears on the bulletin board outside A-196. President Pfauf is a member of the Honorary Committee planning the events.

CAMPUS DEVELOPMENT

Bids were opened at 2:00pm on March 23rd for the Gymnasium and Swimming Pool, but, because of a mistake on the part of the apparent low bidder, announcement of the contract will be made at a later date.

LIBRARY

During the Spring Vacation the College library staff divided the library catalog into two separate catalogs. One catalog is limited to author and book title entries while the other contains subject entries only. The library staff believes this new arrangement will help faculty and students locate material more readily. The area housing the catalogs has been rearranged for easier access and greater convenience of catalog users.

CAFETERIA EVENING HOURS

During the Spring Quarter the Cafeteria will be open in the evening from 7:30 to 8:30. Coffee and other items will be for sale on the honor system.

NATIONAL SCIENCE INSTITUTE

The Natural Science Division has received word that the proposed Institute for science teachers next year has been approved. A grant from the National Science Foundation will make it possible to accept 45 junior and senior high school teachers for an in-service training program in the teaching of chemistry.

ART CENTER TOUR

On Saturday, April 8, there will be a chartered bus leaving the campus at 9:00am to go in to the Los Angeles County Art Museum for the day. Cost of the trip will be $2.25 and reservations may be made in the Activities and Housing Office through Wednesday. Return trip will terminate at the campus about 5:00pm; lunch may be obtained in the Cafeteria at the Art Museum.
SOCIAL LITES PROGRAM

The Social Lites of San Bernardino, a group which provides scholarship funds for the College, are planning an afternoon program on Saturday, April 8 at Town Hall in the Inland Center. Juniors and seniors of local high schools and their parents will be invited to learn about "Educational Opportunities Beyond High Schools." Robert Fisk will be speaking on this general subject and Doyle Stansel will be speaking on the different financial aids available. The Social Lites will present to President Pfau their annual scholarship contribution. It is hoped that students who have not contemplated the possibility of education beyond high school will be attracted to this meeting.

NEWS OF THE FACULTY

Robert West and Robert Fisk (Education) are in Santa Barbara attending a meeting of the California Council on the Education of Teachers.

James Crum (Chemistry) acted as a judge for the Senior Division, Chemistry and Biochemistry projects for the 11th Annual Inland Science Fair this week. He also attended a three-day program on Gas Chromatography at UCLA.

Doyle Stansel (Placement and Financial Aid) attended the two-day meeting of the California Educational Placement Association in Long Beach last week.

Joseph Thomas (Executive Dean) has been chosen for a one-year term on the newly-formed Redlands Community Scholarship Foundation. He is also serving on the Eastern Division Selection Committee of Southern California Edison Company's 1967 college scholarship competition.

Dr. Thomas and Dr. West were the featured speakers at a meeting Monday night of Phi Delta Kappa, professional education fraternity, at Redlands University. Dr. West discussed "Leadership to Enhance the Quality of Higher Education," and Dr. Thomas outlined the future development of our campus.

William Hume (Activities and Housing) represented the College at the annual conference of the California Association of Colleges and University Housing Officers held at Asilomar Conference Center, March 19-21. Dean Hume participated in the program as a discussion leader.

Stuart Persell (History) has joined the faculty of the Social Science Division. He will be teaching courses in European History. Dr. Persell holds degrees from UC Santa Barbara and Stanford. He will be living in San Bernardino with his wife, Evelyn.

There will be two visiting faculty members on campus during the Spring Quarter. Ahmed Ispahani of La Verne College will be teaching Economics. Mr. Ispahani was born in Bombay and is a citizen of Iran.

Floyd J. Williams of Redlands will be instructing a course in the Geography of California. Mr. Williams formerly taught Geology at the University of Redlands.
FILM SERIES

The first program of a three-event film series entitled "The Development of the Experimental Film" will be presented next Friday, April 7 at 8:00pm in 116. Each program in the series will be composed of short subjects as well as features. Students, faculty and staff are cordially invited to attend, subject to capacity of the room. The series is sponsored by the Lectures in Public Affairs Committee.

STUDENT ACTIVITIES

The Class of 1970 will be sponsoring two fund-raising activities on April 14. A Rummage Sale, for which they earnestly solicit donations from faculty and staff, will be held all day, Friday, April 14 at 318 N. "D" St. San Bernardino. Items for this sale, if they are not too bulky, may be left in the Publications Office Thursday, April 13.

The ambitious freshmen will also be holding a Car-Wash on Friday, April 14.

ATTENTION: ALL CSEA MEMBERS, INTERESTED FACULTY AND STAFF

Preliminary paperwork has begun to start our own College CSEA Chapter. It will take possibly three months to complete this paperwork. Be thinking in terms of a chapter name and members may be asked to serve on a nominating committee to elect Chapter officers. There will be more information later. Ted Cordova of the Physical Plant Office will answer any questions on this.

LOST AND FOUND

The Admissions and Records Office would like to reduce its inventory of lost and found items. Notice is therefore given that all unclaimed items from past quarters will be donated to the Rummage Sale to be held April 14.

LECTURERS AT VALLEY COLLEGE

Mr. Roger Schmidt at San Bernardino Valley College called to remind faculty and students of two visiting lecturers there next week. Dr. Howard Thurman will be lecturing on religion and philosophy on Tuesday, April 4 at 9:00am. and again at 8:00pm in the SBVC auditorium. Dr. Thurman will also be available for personal interviews with students on Monday and Wednesday; contact may be made through A-210 at SBVC. Dr. Henry A. Kissinger will be lecturing at 7:30pm on Friday, April 6, on "Europe Establishes a New Relationship with America."

DIRECTORY NOTES

Lucas Lawrence should be changed to Director, Audio-Visual Services.

Desmond Fearnly-Sander's new address is 3324 Sepulveda, San Bernardino 92404, TU 6-8604.

New phone numbers at Crestline include William Hume (338-3227) and Power Sogo (338-2986). These may be direct-dialed.

(over)
To: Presidents and Faculties of the California State Colleges

From: Glenn S. Dumke, Chancellor

Subject: Budget Report

Since my first report to you on this subject in December of 1966, we have been through some difficult weeks. The uncertainty over the budget placed our planning for next year, both in my office and on the campuses, in a virtual state of suspended animation. I want you to know that I understand and appreciate the many hours of extra time and concern which the administration and faculty have devoted to the problems occasioned by the uncertainty of our support budget for next year. I should also like to commend my staff for their untiring and effective efforts.

The prospect before us is now much brighter. We have achieved a Governor's Budget "workload" increase from a disastrous $154 million to $191 million, less deferred spending which does not affect educational quality. We have been accorded adequate funds to accept all qualified students and to retain our full complement of continuing, regular faculty, and we have preserved the current level of academic quality. In my opinion we have, withal, earned increased respect for the integrity of the colleges and a deeper public understanding of their importance and their fiscal problems.

We must now turn to the presentation of our case for funds for the so-called "new and improved programs" which are essential to the advancement of our educational objectives. Included in the some $14 million we have requested for this purpose are vital improvements in our sabbatical leave program, increased support for graduate instruction, additional funds for faculty recruiting and data processing. Since the state administration rejected our request for these funds before we entered into discussions on the separate "workload" section of the budget, we are now presenting our case directly to the Legislature.

Another exacting task lies ahead which must concern everyone—the maintenance of educational quality. With the budget uncertainty coming as it did at the peak faculty recruiting period, we must be especially vigilant in recruitment to insure that our students receive the benefits of the finest faculty that it is possible to bring before them. Regardless of the press of time and the demands of circumstances, we must make every effort to protect faculty quality.

I know that I speak for the Board of Trustees when I say that we are deeply grateful for your support and encouragement in the budget crisis.
