STUDENT ACTIVITIES

Miss Erin Rollins, a freshman psychology major, was chosen Campus Queen at the recent CASABO Dance. A nominee of the Motor Enthusiasts' Club, Miss Rollins is a graduate of Victor Valley High School. She resides at present in Riverside. Congratulations, Erin!

Theta Psi Omega announces that Aletha Lorber has been chosen the Senior Woman of the Year. Mrs. Lorber is graduating as an English major, but will be enrolled in Summer Session, doing her student teaching and taking the two courses in Methods in Elementary School Teaching. Next year she will be one of the candidates chosen to intern in the San Bernardino city schools. She hopes to attend Fullerton State College later for a master's and a supervisory credential. Mrs. Lorber has a GPA of 3.60. It was at her suggestion that Theta Psi Omega embarked on their Tutorial Project as a service project, and she was an active chairman of this endeavor all last year.

Theta Psi girls are also busy on campus these days to boost the club treasury. A Bake Sale this week and a Car-Wash next Friday, June 2, from 10:30 through the day, are scheduled.

Besides their tutorial work at Mt. Vernon Elementary School, the girls have voted to make a gift - perhaps a large World Atlas - to this school. About fifteen girls have each given one hour a week, under the supervision of an assigned teacher, to the Tutorial Project. Sharon Price has been this year's chairman.

Arrangements are being completed for the Graduation Ball on June 9 at Monte Corona. The Dance is being sponsored by the Junior Class in honor of graduating seniors. A dinner for seniors and their dates will precede the dance.
