ACSCP MEETING

Dr. Robert Roberts and Dr. Mary Cisar returned today from the San Jose meeting of the Association of California State College Professors. The meeting, which was attended by representatives of the campuses which had previously voted in favor of collective bargaining, was for the purpose of discussing the possible actions that could be taken by the San Francisco State College after the Board of Trustees had rejected a request from that chapter for collective bargaining.

Dr. Roberts reports that the San Francisco chapter read its statement before the Board and that no further action was taken at the meeting.

COLLEGE CSEA CHAPTER NOW "BADGER HILL"

At the Regional 12 CSEA presidents' meeting held last Monday, word was received from CSEA headquarters that the State College Chapter of CSEA has been recognized and given the name "Badger Hill, No. 184."

Chairman Fred Cordova states that the next step will be a Board of Directors meeting to be held in August, and following that, the Chapter will be completely organized by mid-September. CSEA members will be contacted in September to form a committee to nominate officers who will be appointed by Chairman Cordova.

NEW CAFETERIA HOURS

With the close of the Summer Session, the cafeteria will resume its summer hours - 9:30am to 3:00pm - effective July 31. Later in September regular hours will be reinstated; the exact date to be announced later.

HEALTH CENTER SCHEDULE

The Student Health Services Center will be closed August 1 to September 5. In case of emergency, the staff should call the College telephone operator who will locate emergency procedure personnel.

THE NAME'S THE SAME

A bill submitted by Assemblyman John Vasconcellos to change the name of the California State Colleges to California State University was defeated in the Senate last week.

** PAY DAY - MONDAY, JULY 31 **
STUDENT AWARDED SCHOLARSHIP

Carmen Molina, a junior at CSCSB, was recently named the recipient of the Louisa Pesquerira Grant awarded by Alpha Pi Chapter of the Delta Kappa Gamma, international society for women in education. The scholarship is granted yearly to a young woman student who intends to make teaching a career, and is the first time a student at this College has received the award.

Miss Molina, who is majoring in English, is working this summer at the College editing the student handbook.

BUILDING CONVERSION

Conversion of the initial buildings is continuing and new locations of the various offices will be as follows:

Physical Plant quarters of Herbert Brown and staff will soon be relocated to a temporary home in the new Heating and Air Conditioning Building until their permanent facilities are completed early in 1968.

The Materials Receiving Department of Tony Britto will occupy the present Physical Plant shop area, and the Bookstore will utilize the offices. This will make room for a small expansion in the Bookstore sales area.

Duplicating Services will occupy the present Receiving area, permitting its previous space to be utilized for offices of the Business Manager and staff. Classrooms on the northwest side of the Library will be converted to offices for the Dean of Students Staff, and the science wing of the Cafeteria Building is being remodeled for use by the Music and Drama Departments, and also for expanded cafeteria dining facilities and a temporary ASB lounge.

NSF FELLOWSHIPS

The National Science Foundation has announced its 1967 program of fellowships. Applications for senior postdoctoral fellowships in science are available and must be submitted by October 9. NATO postdoctoral fellowship applications must be postmarked October 2. Science faculty fellowship applicants must have their forms in by October 9. Further information may be obtained from Dean Marcy.

PE OUTDOOR FACILITIES NEW SUMMER SCHEDULE

The outdoor physical education facilities will be closed at night until September 18. They will remain open weekdays from 10:00 to 5:30, and on Saturday and Sunday from 9:30 to 5:00.

LIBRARY SUMMER HOURS

Effective as of today, July 28, the library will be open during the day, from 8:00am. to 5:00pm. It will be closed evenings and weekends. This schedule will remain in effect until the start of classes in September.
COLLEGE POSTCARDS

The Bookstore now has colored postcards of the College campus for sale. They are five cents each and three different scenes are available.

Shown below are two of the campus scenes depicted on the postcards.

Betty Gregory, new extension: 298.
Doyle Stansel, new address: Corner Nestal Ct. & Lake Gregory Rd., Crestline. (PO Box and phone number to be listed later.)

CREDITS FOR SALES OR USE TAX PAID IN ANOTHER STATE

If you have bought, or plan to buy a car in another state for use in California, the following information regarding a new law of the California State Board of Equalization will be of interest to you.

The Board has announced that, effective July 1, California taxpayers may take as a credit against California state local use taxes due, the amount (not over 4% of the purchase price) of sales or use tax imposed on the property purchased by other states.
