HAMILCAR BARCA IN NEW ROLE

The College Mascot, Hamilcar Barca, is the proud father of twelve little St. Bernard puppies. The mother, Susie, had four girls and eight boys, varying in weight from one and one-half to two pounds. It was her first offspring. She resides at 4025 Johnson St., San Bernardino, at the home of her owners, Mr. and Mrs. Justin Hund. Mrs. Hund enthusiastically describes the puppies as "just beautiful - healthy - sweet little balls of fur."

The father, Hamilcar, is out of town with his owners, Dr. and Mrs. Russell DeRemer, and will return next week.

CASABO COMING SOON

Co-editors Linda Luetcke and Cheryl Porter have announced that the CASABO, student yearbook, is expected to be ready for distribution in approximately two weeks. Notices of time and place to pick up the publication will be sent to those who previously have ordered a copy.

There will be approximately 100 copies available at $3.00 each to staff and students who wish to purchase the yearbook when it is delivered.

The CASABO, a hardback-covered annual printed by the American Yearbook Company, will contain 96 pages recording the 1966-67 student and college activities at CSCSB.

1967-68 FALL QUARTER

According to the Office of Dean of Academic Affairs, the 1967-68 Fall quarter will have approximately 58 full-time teaching faculty on campus and 9 part-time faculty. The Class Schedules are being prepared and it is thought that approximately 165 classes will be available to students, 14 of which will be held in the evening.

SYMPATHY

The College extends sympathy to the family, friends and co-workers of Don Parnell, plastering contractor on both the biological and physical science buildings. Mr. Parnell, head of the Parnell Plastering Company, was killed in an airplane which he was piloting Wednesday. The plane crashed near Redlands.
