BUSINESS ADMINISTRATION CHAIRMAN APPOINTED

An economist now employed by the Ford Foundation in Amman, Jordan, has been appointed chairman of the College's new Department of Business Administration.

Dr. Richard W. Graves will join the faculty in September, President John M. Pfau announced. A program specialist for the Ford Foundation in Jordan, Dr. Graves had wide academic experience in the United States before going overseas in 1966. He has been a professor and academic advisor to the University of Jordan the past two years and recently returned to Jordan to end the academic year there.

He was chairman of the department of business economics and quantitative analysis at the University of Southern California in 1962-66.

Dr. Graves' academic experience also includes time as a faculty member at Arizona State, Indiana and Tulane Universities. He received his D.B.A. in business economics from Indiana University in 1955, after previously earning master's and bachelor's degrees from the University of Texas.

The new department chairman has a long list of publications to his credit including one book, "Economics of Natural Gas in Texas." He was co-author of this volume, published by the University of Texas Press in 1952.

CAST NAMED FOR "THE FAR COUNTRY"

The College Drama Department has announced that the cast for its forthcoming production, "The Far Country," by Henry Denker, has been selected.

Two faculty members, Joseph Labat and Clafk Mayo, will join the cast of eight students. Don Blair, a senior, will play the leading role of Sigmund Freud.

Others named in the cast are Brenda Axtell, Jack D. Conner, Burton Hendrickson, Vicki Stauss, Charlotte Elder, Dottie Roberts and Leslie Sternberg.

Mr. Jed Horner of the Drama Department will direct the play, which is based on actual events in the life of Sigmund Freud. Production dates are scheduled for February 16, 17, 23 and 24 at 8:15 in the "Little Theater" (C-116).
CAMPUS TOURS
START SUNDAY

Student Guides will begin a regular series of campus tours at 3 p.m. every Sunday, starting January 14. The 50-minute tour will be open to the public. College personnel are welcome and are encouraged to refer persons who show curiosity about the College to take the tour.

The tours are being administered by the Publications Office, which welcomes suggestions for improving the new project.

ACTIVITIES OFFICE
TO HANDLE RESERVATIONS

Reservations for rooms for all forthcoming campus activities are now to be made through the Activities and Housing Office, Extension 264. This service was formerly under the Admissions and Records Office.

STUDENT-FACULTY
DIALOGUES INITIATED

A series of one-hour programs has been initiated by the Student-Faculty Dialogue Committee. The first dialogue featured Dr. Ronald Barnes as the faculty guest yesterday.

Informal in nature and location (the student lounge and students may bring their lunch) the format consists of the faculty member giving a brief presentation followed by student-faculty conversation on the issues and ideas presented.

Professor Robert T. Goss, Instructor in German, will be the next faculty member to be presented, Thursday, January 18, at 12:30 in the Student Lounge.

CAFETERIA MIGHT ADD MENU ITEMS

The Cafeteria management is considering the addition of some new items to the menu. Mrs. Jean Atterbury, Cafeteria Manager, requests that all interested College personnel return the questionnaire attached to today’s Bulletin. The questionnaire can be deposited in the suggestion box just inside the Cafeteria.

RULES GIVEN FOR SCIENCE BUILDINGS PARKING AREA

Regulations governing parking near the science buildings have been established by the Administrative Council.

1. At any time faculty and staff may stop temporarily in the loading dock areas for loading and unloading.

2. A temporary reserved parking area is established near the walkway to the Physical Science Building patio, but during class hours is reserved for medical parking permits only; but after hours, weekends and holidays this area is open to faculty and staff.

3. After landscaping is completed, permanent reserved parking spaces will be established adjacent to the science buildings.
Anthony Zerbe, mercurial young actor, on TO GIVE READINGS will present a dramatic reading from the plays and poetry of e. e. cummings next Tuesday in the College's Noon Series. He will appear at 11:30 a.m. Tuesday, January 16, in Room PS-10. The public is invited, as well as all students and College personnel. There is no admission charge.

Zerbe has earned much critical acclaim in his acting career. He currently is appearing in the Paul Newman prison movie, "Cool Hand Luke," and also appeared with Charlton Heston in "Will Penney."

He came to Hollywood to finance his stage career, which includes Shakespearean roles at the Stratford Festival in Canada and (the last two summers) at the San Diego Old Globe Theater. Zerbe also has made television and off-Broadway appearances.

"The Lectures and Public Affairs Committee is proud to present this young actor of extraordinary talent," commented G. William Hume, Associate Dean of Activities and Housing. "This career so far is very impressive as Mr. Zerbe has been continuously employed as an Equity actor for the past five years."

**SUMMER SESSION FEES ESTABLISHED**

The Trustees in their November 29-30 meeting adopted a fee of $21 per semester unit for the summer session. Summer session quarter unit fee is $14. **

**MEDICAL PARKING AREAS REQUIRE A PERMIT**

Special parking spaces designated by a yellow curb and sign "Medical Parking" have been set aside in the temporary parking lot. A similar area has been cleared and marked south of the Physical Science Building. These spaces are set aside for students, staff and faculty who, because of physical disability, temporary or permanent, find it extremely difficult or hazardous to their health to walk the distance from the regular parking lot.

Anyone needing to make use of these areas should contact the Student Health Center (A-117) for permission to do so, and if permission is granted a special decal will be issued for their car.

President and Mrs. John M. Pfau are grateful for the many kind expressions of sympathy that have been extended to them by members of the College community.

Leslie Van Marter (Philosophy) read his paper on "Whole and Part: A Problem in the Philosophy of Art and Criticism" at the Eastern Division convention of the American Philosophical Association in Boston last month. While in Boston, Dr. Van Marter also screened candidates for the faculty.

Paul Johnson (Philosophy) also screened faculty candidates while attending the Pacific Division of the American Philosophical Association convention held in Berkeley.
