1968-69 CATALOGS BEING DISTRIBUTED

The 1968-69 College Catalog arrived from the State Printer this week and is being distributed. One copy is being given to each faculty and staff member.

Under a new ruling by the California State College Board of Trustees, all 19 State Colleges must charge their students and prospective students for their catalog this year.

Copies of the Catalog are available for students in the Bookstore for $1.05 each, including tax.

Extensive changes have been made in the new Catalog; much of it was rewritten by divisions, departments, and the Dean of Academic Affairs.

The photographs which appear in the new Catalog were contributed by many persons, including student photographers Terry Nicholson of the Pawprint, Nick Pencoff of Audio-Visual, and Pawprint columnist Ralph Lightstone, who won the 1967 Student Photo Contest first prize of $20 for the photo on Page 15.

Other photos were taken by faculty and staff members of the Audio-Visual, Drama, and Publications departments.

Faculty, staff and students who wish to contribute outstanding photographs to the 1969-70 Catalog may leave them in the Publications Office.
