Friday Bulletin
Despite a misty rain which fell during part of the outdoor ceremonies, a near-capacity audience of 975 attended the College's second annual commencement exercises last Saturday on the Mall.

There were 103 candidates for the Bachelor of Arts degree during the 1967-68 academic year. Some 71 of the graduates participated in the ceremony.

Large numbers of College personnel worked toward making the commencement a success; these included faculty, staff and students representing nearly every department of the College. Women members of the staff arranged the reception which followed the ceremonies.
