CSCSB AND OTHER 18 STATE COLLEGES UP ADMISSION FEES

Application fees for students enrolling at CSCSB or other California State Colleges will be increased from $10 to $20, effective February 3, 1970.

On November 25 the State College Board of Trustees approved the increased application fee, which was found necessary due to increased cost of processing applications and the scarcity of appropriated funds.

CSCSB students seeking to enroll in the Winter Quarter (beginning January 5) or the 1970 Spring Quarter (beginning March 31, 1970) will not be affected by the new rate.

Until February 2 the $10 fee will be accepted with applications for admission. On February 3 or later applications must be accompanied by the $20 fee.

On January 1, 1970 all state colleges will begin accepting applications for Fall, 1970.
