Dr. Richard Switzer, Chairman of the Department of French and Italian at the University of Wisconsin at Madison, will become Chairman of CSCSB's Division of Humanities, effective September 1, 1970, President John M. Pfau announced.

He will replace Dr. Ronald Barnes who will return to the Drama Department next fall after serving as Acting Division Chairman for the 1969-70 year. In making the announcement, President Pfau gave special commendation to Dr. Barnes "for his work as Chairman this year and his willingness to perform the difficult tasks of an acting administrator."

Prior to joining the faculty at Wisconsin, Dr. Switzer taught for six years at Northwestern University, primarily at the undergraduate level. He has in press *Four Medieval French Plays* (a translation) and a two-volume *Anthology of French Literature*. He has read papers and written articles on a wide range of topics, including discussions of the problems of teaching French in college.

Dr. Switzer received his A. B. and A. M. degrees from the University of Chicago and his Ph.D. and A. M. degrees from U.C., Berkeley.
