COMMONS BUILDING PLANS ON SCHEDULE

Recent announcement by the Governor on spending curbs to erase State Budget deficits is not expected to affect construction of the proposed Commons (Cafeteria) Building, according to Executive Dean Joseph K. Thomas.

Bids will open as scheduled, on January 12, for the building. Building projects are being reviewed on a case-by-case basis. However, if favorable bids are received for the Commons (Cafeteria) Building, chances for approval to proceed with construction are considered very good.
