KATE WILSON AND GEORGE MENESES RECEIVED PROMOTIONS

Two members of the Student Services staff will be promoted to new positions, President John M. Pfau has announced.

Kate Wilson, Activities Advisor since last September when she joined CSCSB, has been named Financial Aid Advisor, effective May 1.

The duties of the new financial aid advisor will be concerned primarily with assisting students with loans, grants, scholarships and other financial resources available through the College. She will work under the direction of Doyle Stansel, Associate Dean for Placement and Financial Aid.

George Meneses, Assistant Director of the Educational Opportunity Program, has been promoted to the position of Assistant Dean of Students, effective April 1.

In his new position Mr. Meneses will continue to coordinate the tutorial services of the E.O.P. for the remainder of the year as well as assist with the general administration of the student services program. Mr. Meneses will serve as Coordinator under the Student Disciplinary Procedures of the California State Colleges. He will also serve as a resource person to assist students with their questions and problems.

TWO STUDENTS RETURN FROM KENYA NEXT WEEK Two students, Rosalyn Jacquet and Larry Culber- son, are currently in Nairobi, Kenya on a cultural exchange visit.

A third student, Jimmy Perry, did not accompany them as planned due to an agreement among the three students. Despite generous contributions toward the trip, available funds permitted travel for only two.

An African Studies Panel has been set for Tuesday, April 6, 7:30 p.m., Phys Sci-10, when the two exchange students will discuss their trip.

* * *

"CLINICAL SOCIAL WORK," "Clinical Social Work" will be the topic of an Assn. of Psych. Students lecture-presentation next Wednesday, April 7. C. R. Schweitzer, psychiatric social worker in the Community Services Division in Riverside, and owner of a counseling center in Palm Springs, will lead a discussion and mini-workshop. Admission is free and open to everyone. (Phys Sci-202, 4 p.m.)

NOON MUSICALE: The Wednesday, April 7, Noon Musicale will feature student electronic compositions. (C-104)
Stephen Horn, President of Cal State Long Beach, quoted the following anonymous verse in a recent speech, "Ode to a Line-Item Budget," concerning state college budget restrictions, in which he likened himself to the engineer who said:

"I'm not allowed to run the train
Or see how fast 'twill go.
I ain't allowed to let off steam
Or make the whistle blow.

I cannot exercise control
Or even ring the bell.
But let the darn thing jump the track
And see who catches hell!"

Today representatives of the various insurance companies will be available in Admin-121 from 3 to 5 p.m. to answer questions regarding health insurance plans. Faculty and staff employees are urged to take advantage of this opportunity during the current health insurance open enrollment period.

On Monday, April 5, CSEA insurance representative Irving Steinberg and CSEA analyst Dale Hankins will be on campus in the Admin-Lobby from 8:30 a.m. to 4:30 p.m. to answer questions regarding insurance.

On Wednesday, April 7, representatives of the California College and University Faculty Assn. (CCUFA) will be in Cafe-113 all day to answer questions about C.T.A.-Blue Cross health insurance, life insurance, automobile and homeowners insurance and other economic benefits offered through their organization. Call Neville Spencer, Ext. 280 for additional information.

Equity Educators Assurance Company insurance plans are now under joint sponsorship of ACSCP and UPC. Faculty members belonging to either of these organizations may keep their insurance with Equity Educators or sign up for new insurance if they are interested. It will be necessary to file a new HBD-12 form with the Personnel office even though faculty members continue with Equity Educators insurance plan or sign up for new insurance.

The U.S. Mail box formerly located at the southeast corner of the Administration Building, has been moved to the end of the walkway adjacent to the main parking lot. Pick-up hours remain the same, 9:30 a.m. Monday through Saturday.

* * *

A proposal for an increase in college parking fees from $9 to $14 a quarter, considered at the March 24 Board of Trustees meeting, has been temporarily postponed in view of student, faculty and staff objections. The trustees suspended planned projects for constructing additional parking facilities since an increase in parking fees is necessary to finance such facilities.
FEDERAL SUMMER JOB LISTINGS FOR FACULTY AVAILABLE IN LIBRARY

A copy of "Federal Employment Opportunities for the Summer of 1971 for College Faculty Members" is available in the Library and has been placed on reserve this quarter.

ECOLOGY

EVERY LITTLE BIT HELPS

Bill Marsh and Robert Lohnes (Physical Plant) have converted the emergency generator in the Physical Sciences Building from gasoline to natural gas operation. The change-over will result in a reduction of air pollution as well as more efficient operation of the machine. The generator was the last piece of potential air pollutant machinery on campus. All others have been converted.

* * *

CONTRACTOR TO START

CONSTRUCTION OF NEW CAFETERIA BUILDING

Next week the contractor, P & A Construction Company of Torrance, will begin moving equipment to the job site of the Commons (Cafeteria) Building.

Next Thursday a job start meeting will be held between federal, College and contractor representatives. The work is expected to be completed in 14 months.
