FIRE DESTROYS $50,000 MATERIAL & EQUIPMENT NEAR RESIDENCE HALLS

Late Tuesday night a fire of undetermined origin broke out in a storage shed belonging to Viking Construction Co., contractors on the CSCSB residence halls, resulting in $50,000 damage.

Fire Department officials believe spontaneous combustion of paints and rags in the aluminum shed near the construction site caused the blaze.

A large supply of redwood siding destined for the residence halls was destroyed as well as electrical panels and other materials, tools and vehicles belonging to the contractor. Karl Gantner, superintendent of the Viking Company, believes that a four-month delay may be encountered in re-acquisition of the siding.

Vice President for Administrative Affairs Joseph Thomas states that the loss, however, should not jeopardize the anticipated August, 1972, occupancy date of the Residence Halls.

** KENDALL DR. SIGNAL GETS GREEN LIGHT **

A bid was awarded last Monday for construction of the Kendall Drive-State College Parkway traffic signal. The City of San Bernardino which is contracting for the work indicates completion can be expected on the project within 60 days.

** MYSTERY OF THE MISSING BALLOT BOX NEAR PS-219 **

Last seen in the vicinity of PS-219, a Staff Council ballot box is announced as missing by Wilmer Carter, Chairman of the Staff Council Nominating Committee.

Persons knowing the whereabouts of the ballot box, described as brown, cardboard, 8½"x11", marked "Staff Council Ballot Box," are asked to contact Miss Carter. No questions will be asked (but eyebrows might be raised). Nominations have been extended until the ballot box is found or new forms are submitted. (Contact Ext. 494.)

ALL ENDS WELL IN 
BATTLE OF THE SEXES 
IN SHAKESPEARE'S "ALL'S 
WELL THAT ENDS WELL."

Described by critics as a comedy 
written as a satire with a sex 
plot, Shakespeare's "All's Well 
that Ends Well" opens tonight in 
a Players of the Pear Garden pro-
duction.

An Edwardian period between 1900 and 1910 was 
chosen by Director William Slout as the setting for 
the play which deals with a heroine bent on seducing 
her illusive husband. The hilarious comedy sees 
Cupid emerge triumphant through what is called by 
scholars as the "bed trick."

Tickets are available for all performances which 
include tonight, tomorrow night and the following 
weekend. They are currently on sale in C-102 at 
$.75 for students, faculty and staff and $1.50 for 
general admission.

Curtain opens at 8:15 p.m. in the Little Theatre.

NEW CSCSB UTILITY 
TUNNEL BIDS RECEIVED

Bids were opened last Wednesday in Los An-
geles for on campus site development work, 
which will provide an extension to the pres-
ent walk-through utility tunnel. This will tie the Commons Bldg. into 
the central heating and air-conditioning plant as well as provide elec-
trical service and storm drainage for both Commons and Residence projects.

The apparent low bidder was Hemisphere Construction Co. of Bell-
flower, whose $449,500 bid was lowest among 11 bidders. The company 
performed the construction work on previous tunnel construction in 
1969-70.

The bid is below the architect's estimate. Vice President for 
Administrative Affairs Joseph Thomas states that it is hoped 
the difference between the bid and the estimate will provide funds 
to restore some of the contracts for site development and projects 
defered because of shortage of funds in previous jobs.

Construction on the new tunnel is expected to be underway in 
approximately 30 days.

CSEA AWARDS 
SCHOLARSHIPS

CSEA local Chapter 184 scholarship awards for Spring, 
1971, have been granted to Annette Luckow, daughter
