MASTER'S IN EDUCATION PLANNED FOR NEXT FALL

A Master's Degree, the College's first, is expected to be offered to students in the Fall of 1972.

A proposal outlining the degree program in Elementary Education Specialization was approved by the Faculty Senate on February 29 and the Academic Council on March 6. President John Pfau signed the proposal on March 20. It is currently in the Chancellor's office for review.

The program will require students to complete nine or 10 courses, five of which are Education 610, 630, 635, 640 and 695. Before applying for admission to the M.A. program, a student must complete at least 15 quarter units of course work at CSCSB. Questions concerning other requirements may be directed to the Education Department.

ALTERNATIVES TO FOREIGN LANGUAGE REQUIREMENT OFFERED THIS QUARTER

Beginning this quarter students may select from a variety of alternatives to fulfill the foreign language requirement, which, until now was part of the College-wide General Studies Program.

Students may substitute the "other cultures" requirement to learn about linguistics, the nature of language, foreign cultures and literature. Except for English and philosophy majors, students need not take a foreign language in order to graduate.

Options to the foreign language requirement are listed in the inside cover of the Spring, 1972 Class Schedule.

TED KRUG APPOINTED  
FINANCIAL AID ADVISOR  
A 1968 CSCSB graduate, Ted Krug, has been appointed Financial Aid Advisor, announced President John Pfau.

Mr. Krug comes to the Placement and Financial Aid office from the Human Resources Department in San Bernardino where he held the position of Manpower Services Representative for over three and a half years. While with the Human Resources Department, Mr. Krug helped hard-core unemployed, such as parolees, probationers, drug addicts, and other socially disadvantaged persons, find employment.

Recently appointed president of the Board of Directors of the San Bernardino Drug Abuse Program, Mr. Krug is also a member of the Mayor's Committee of San Bernardino on Hiring the Handicapped, on the advisory board of the California Rehabilitation Center at Patton on the Work Furlough Program, a member of the Trade Advisory Council of CRC at Patton and Norco and a member of the California Institute for Men Re-Entry Program at Chino.

Mr. Krug, a resident of San Bernardino, is a graduate of Aquinas High School.

NORMAN STEINAKER TO BE COORDINATOR OF ELEMENTARY EDUCATION PROGRAM  
Norman Steinaker, Asst. Prof. of Education, will take over the duties of Coordinator of Elementary Education Program, effective this quarter, according to Robert West, Chairman of the Department of Education. Dr. Steinaker replaces Ernest Garcia, Professor of Education, who has served as Elementary Coordinator since 1970.

PERSONALS  
Tony Britto (Shipping & Receiving) has returned to work following a six-week absence due to surgery on his knee.

The College extends best wishes to Mr. and Mrs. Walter Kadyk on the occasion of their marriage last Saturday in San Bernardino. Mrs. Kadyk is the former Bernice Gramlich (Admissions) and Mr. Kadyk is the Director of College Police.

Mr. and Mrs. Robert Stein (Math) welcomed their first child, a son, Joseph Kirschner, born March 16, weighing eight pounds, one ounce.
SENIOR ART EXHIBITS TO GO ON DISPLAY

Two Senior Art Exhibits are scheduled for April showings in The Gallery (PS-22).
First will be the sculpture and paintings of Richard Thomas, April 3 through 7. He will display acrylic paintings and wall-mounted sculpture constructed of plywood and galvanized metal, involving a study of structure and relationships.

Hours: 10 a.m. to 4 p.m., Monday through Friday.

On April 10 The Gallery will present the senior exhibit of Joyce Cannon, which will consist of large-scale environmentally related sculpture constructed from welded steel, wood and "soft" material.

GALA OPENING PLANNED FOR RESIDENCE HALLS

Plans are being readied for the grand opening of the Residence Halls, or Residential Houses as Housing Coordinator Theron Pace has named them. He also refers to them as the "Swinging Singles."

A week-long open house will be held during April 3 through 7, during which students, faculty and staff will be invited to tour through the residence halls. Refreshments will be served and guests will be conducted through the housing units by Barbara Allen of the Housing office and the newly-appointed House Resource students as well as the College Relations Tour Guides.

A video taped showing of a guided tour of the new residences will be relayed on closed circuit television sets in the Cafeteria and Library. Phil West of the A-V Dept. filmed the sequence.

MATH-SCIENCE DAY TO FEATURE RENOWNED SCIENCE WRITER

A lecture by Dr. Irving Bengelsdorf, Director of Science Communications, California Institute of Technology, one of the nation's most illustrious science writers and former science editor of the Los Angeles Times, will be the featured event of Math-Science Day.

The Natural Sciences Division has invited students and teachers from high schools and junior colleges in San Bernardino and Riverside counties to participate in the event, scheduled for Saturday, April 8.

The day's program will include demonstrations and exhibits, the speech by Dr. Bengelsdorf, "The Energy Crisis," lunch, and guided tours of the campus.
