$50,537 GRANT RECEIVED
BY COLLEGE FOR EDUCATION
AND CAREER COUNSELING

A grant of $50,537 to broaden educational
and career counseling opportunities for
residents of San Bernardino and Riverside
counties has been awarded to the College.

Provided under Title I of the Higher Education Act, the grant
is the largest out of the 13 approved by the Coordinating Council
for Higher Education for colleges and universities in California
for 1972-73.

In cooperation with Chaffey, Victor Valley, Barstow, San
Bernardino, Valley junior colleges and College of the Desert, the
grant will cover a year's planning to set up a network of counseling
centers throughout Riverside and San Bernardino counties which will
serve persons in isolated areas and provide career and educational
counseling to various minority and economic groups, veterans, etc.

Also included in the project will be a sequence of courses de­
signed for persons who give counseling services in high schools, com­
munity colleges, community agencies, business and industry.

The courses will be designed to update their information and
