FACULTY SENATE APPROVES REDUCTION IN GENERAL EDUCATION REQUIREMENTS

A new General Education Program was approved at the May 23 special meeting of the Faculty Senate. The 14-course, 70-unit General Education package, submitted by the President's Task Force, was unanimously approved by the Senate, with a few minor amendments.

On Tuesday, May 30, the proposal will be submitted to the Academic Council for review and forwarded to the President for final approval if accepted by the Council.

Amendments made by the Faculty Senate to the proposal were:
1. An Oral Communications class was added to the options under Basic Studies.
2. The Foreign Language option under Humanities was changed to "Foreign Studies: Foreign Language 101-102 or Foreign Literature in Translation."

The changes, if approved, will be reflected in the 1972-73 College Catalog and Fall, 1972, Class Schedule.

MEMORIAL DAY HOLIDAY

Monday, May 29, Memorial Day, is an Academic-Administrative holiday for the College.

The College Library and P.E. Facilities will be closed on the holiday, but will be open on regular schedules Saturday and Sunday, May 27 and 28.

WHO WILL DAVID FRYE(T) TONIGHT?

Will George McGovern and Shirley Chisholm escape the waspish wit and inimitable impressionistic imitations of David Frye? The noted political comedian will appear tonight in the Gymnasium, performing his impersonations of President Nixon, Hubert Humphrey, George Wallace, and other political personages.

The Mill Creek Country Folk Group will begin the show at 7 p.m. General admission is $2 in advance; $2.50 at the door. CSCSB students may purchase tickets for 50¢ on campus.

PAYDAY IS WEDNESDAY, MAY 31, AFTER 3 P.M.
Robert Blackey (Relations with Schools) was interviewed as a representative of CSCSB by 15 finalists in the James Guthrie newswriting award write-off last Wednesday. The Guthrie contest is sponsored by the Sun-Telegram.

Edward Carlson (Business Admin.) served as a judge in the General Dynamics Pomona Management Club scholarship awards earlier this month. Dr. Carlson was also presented with a plaque recently in recognition for outstanding leadership and guidance to the students of the Business Administration Department.

Wallace Cleves, Robert Grove and Steve Morin (Psychology) read papers at the Western Psych. Assn. meetings in Portland, Ore., April 25-30. Dr. Cleaves read two papers: "Crossmodal Recognition of Simple Multidimensional Forms in a Sequential Discrimination Task" and "Resolution of Sensory Conflict Under Large Intersensory Discrepancy." Dr. Grove read "Dose - Dependent Suppression of Operant Behavior by Insulin: Failure to Substantiate a Specific 'Hunger' Mechanism." He also spoke to the Newport Speech and Language Center on "The Assessment of Drug Effects on Speech Recovery Patterns in the Clinic" on May 17 and 23. Dr. Morin read the paper, "Social Comparison of Ability in Blind Children and Adolescents."

G. Keith Dolan (Education) recently spoke to the La Puente Chapter of A.F.T. on the Stull Bill. Dr. Dolan will also be the commencement speaker at Aquinas High School on June 8, speaking on "The Future is Upon You."

Alfred Egge (Biology) was appointed to the Clinical Laboratory Cluster, an ad hoc committee for the Regional Health, Manpower and Education Consortium in San Bernardino, Riverside, Inyo and Mono counties.

Nikolai Khokhlov (Psychology) was a guest-lecturer on May 22 at the School for Aerospace Medicine, Brooks AFB, Texas, on the topic "Psychological Factors in Soviet Society." The lecture was part of a course on medical aspects of the advanced warfare and was video-taped in color for further use at the school.

Shirou Kunihira (Psychology) will report on research in psycholinguistics at American Psych. Assn. meeting in Hawaii next September, in a paper entitled, "Phonetic Symbolism as a Stable Characteristic." Dr. Kunihira will also speak at the Int'l Congress of Psych. in Tokyo in August.

Sarojam Mankau (Biology) has an article in the current issue of Canadian Journal of Zoology on "The Effect of Sex and Sex Hormones on the Infection of Rats by Trichinella Spiralis."

Kenneth Mantei and Ralph Petrucci (Chemistry) are co-authors of an experiment, "Solubility Product Constant of Lead (II) Iodide by Data Extrapolation," recently published in the Modular Laboratory Program of the Willard Grant Press, Boston. (Continued on Page 4)
COMMENCEMENT 100 tickets have been set aside for faculty
TICKETS..... and staff members who wish to attend the Sixth
Annual Commencement exercises on June 10, in
the College Gymnasium. A maximum of two will be available
at the College Relations office, A-149, beginning Tuesday, May
30, on a first-come, first-served basis. Faculty who march or
Chorus members who are performing in the ceremony will not re
quire tickets.

COMMENCEMENT The Bookstore still has a limited supply of Commence-
ANNOUNCEMENTS ment announcements in stock. Price: 25¢ each.

DEADLINE: Today is the last day for marching graduates to pick up or request
tickets by mail for guests to Commencement. It is also the last day
to rent or place rental orders for caps and gowns at the Bookstore.

"IF WE BLOW YOU UP WE WILL LET YOU KNOW" resents India in a multi-polar simulation game
covering a four-year period. UC, Santa Barbara;
UCLA; Cal State, LA; Fullerton; San Luis Obispo; Stanislaus; Chico
State; Stanford; USC; San Francisco State and Loyola U represent nine
other countries and Polis Control and a Control Team in a simulated dip-
ломatic exercise.

Dr. Brij Khare's Comparative Politics III course, under the leader-
ship of students Art Thomas and Peter De Loria, participate in a minute-
by-minute, on-call basis in the diplomatic maneuvers, headquartered in
the computer center at UC, Santa Barbara, by CSCSB teletype and tele-
phone services connected to the Santa Barbara computer center. Each
college or university represents a country in the computer-network,
complete with foreign policy, and transmits tactical moves in a multi-
polar world in which most countries are equal in nuclear power.

This is the first year that CSCSB has participated in the inter-
national simulation diplomatic games. The class promises that "if, in
the process of playing our game we happen to blow up this planet, we
will let you know!"

Edward White, Chairman of the English Department, has edited a book, "The Pop Culture Tradition,"

Sub-titled, "Readings with Analysis for Writing,
the paper-back contains a series of readings on various forms of popular
culture, by such writers as George Orwell, Franz Kafka, Shakespeare
and Ralph Ellison. Three versions of an essay by Jeanne Reynolds,
CSCSB senior, figure prominently in the text as an illustration of the
way revision improves writing.

Dr. White is also the author of The Writer's Control of Tone.
IN THE NEWS - (Cont'd) Corky Moffett (Student Services) was installed as president of the newly-formed Foothill Assembly of Phi Sigma Alpha at the Red Hills Country Club in Cucamonga May 20. The organization comprises chapters in San Bernardino, Riverside, Corona, Ontario, Arcadia and Monrovia.

Bonham Richardson (Geography) has an article, "The Agricultural Dilemma of the Post-Plantation Caribbean," appearing in the June issue of Inter-American Economic Affairs.

Mireille Rydell (French) will present a paper at the 10th Int'l Arthurian Congress at Nantes, France, in August, entitled "The Nature and Role of Marriage in the Anonymous Breton Lays." Dr. Rydell is the first State College faculty member to participate in this congress. She also served as section chairman at one of the sessions of the Calif. Folklore Society in Sacramento earlier this month.

Robert Sill (son of Roma Sill, Cont. Ed.), CSCSB senior, has been awarded a four-year scholarship grant to Harvey Mudd College in Claremont. Dana Snell (daughter of Barbara Snell, Academic Planning) was awarded a four-year State Scholarship to attend the University of Redlands.

Ronald Taylor (Biology) appeared on Channel 7's Eyewitness News, Monday, May 22. He was interviewed regarding ideas and his forthcoming book on the subject of insects as food.

George Weiny (Phys. Ed.) addressed the swim team at the San Bernardino YMCA on May 17 at its annual awards banquet. The following day he spoke to employees of the Pacific Telephone Co. in Arlington on "Water Safety."

CHILDREN'S THEATRE An original children's theatre production, PRODUCTION, "REINGOLD," written by Joan Newmann, graduate student, as a Christmas gift for her four-year-old daughter Missy, will be presented Wednesday, May 31, at 3 p.m., in the Little Theatre. Diana Knapp, student, is directing a seven member student cast. All faculty, staff and students are invited to attend and bring their children to the free production.

JOB OPENING Cler. Asst. IIB, in Public Affairs Office; 1 yr exp. req.; shorthand 80 wpm; typing 50 wpm; available June 1; $492-59.
