The College has received approval from Chancellor Glenn S. Dumke to offer the Bachelor of Science Degree in Physics. The new degree is in addition to the Bachelor of Arts in Physics now being offered.

The BS in Physics will provide additional courses to prepare students for professional training in physics for careers such as atmospheric physics, including air pollution studies; oceanography; technical administration; medical instrumentation, research and development; biophysics and geophysics.

To be offered at the beginning of the 1973-74 academic year, the BS in Physics makes the second BS degree to be offered by the College. A BS in chemistry has been offered since 1971-72.

Unofficial enrollment figures for the Winter Quarter available at the end of the regular two-day registration, show a Full-Time Equivalent of 2,170.5 students. This reflects a slight decrease from the F.T.E. figures taken at the same date last year.

Students may be accepted for registration up to the last day to add classes, January 11.

Robert A. Lee, Associate Professor of English, has been appointed Associate Dean for Academic Affairs, President John M. Pfau has announced.

Beginning with the Winter Term, Dr. Lee will work half-time with Vice President for Academic Affairs, Gerald Scherba, in the area of administrative and faculty personnel matters and continue with his teaching and departmental duties.

Dr. Lee returned to campus this fall from a one-year Fulbright-Hays lecturing award spent in Ankara, Turkey. He is the author of "Orwell's Fiction" and various articles dealing with poetry and fiction. He joined the CSCSB faculty in 1968.
WINTER QUARTER STARTS TODAY

Classes begin today for the Winter Quarter. Last day to add classes is Thursday, January 11.

CAFETERIA OFFERS SPECIAL BUFFET 10-MEAL TICKET

The Cafeteria announces a new price for its buffet lunch on the Lower Level.

A 10-meal ticket, regularly $11.50, may be purchased for $10, including tax. Tickets, available to students, faculty and staff, are now on sale by cashiers at upper and lower levels of the Commons.

EDWARD WHITE TO DIRECT PILOT PROGRAM ON TESTING

Edward White, Professor of English, has been named program director and chief reader for a $40,000 pilot project to provide freshman English equivalency testing. The system-wide program is being funded through New Program Development and Evaluation of the Chancellor's office.

Associate Chief Reader is Richard Lid, Chairman of English at Cal State U., Northridge.

Originally prepared at the request of the CSU&C English Council as a part of the protest against the Fall, 1971, testing experiment (which tested composition without asking students to do any writing), the project was unanimously adopted by the council, which recommended to the Chancellor that the plan be adopted system-wide. The new test will be introduced to the 19 campuses in Fall, 1974.

The test will require students to write essays as well as answer multiple-choice questions.

CSEA TO HOLD GET-ACQUAINTED LUNCHEON FOR FACULTY & STAFF

All faculty and staff are invited to attend a Get-Acquainted Luncheon, sponsored by the campus chapter of CSEA, Tuesday, Jan. 16 on the Lower Level of the Commons from 11:45 a.m. to 1:15 p.m.

A token price of 50¢ will be charged all guests, with the balance of the special deluxe buffet being paid by the CSEA chapter, which is also furnishing home-made desserts.

Representatives from CSEA Headquarters will be present to answer questions and provide material regarding insurance, recent state (Continued on Page 3)
CSEA LUNCHEON -(Cont'd) employee legislation and travel information.

A drawing will be conducted for a $200 Smith-Corona electric typewriter at 12:30 p.m. during the luncheon. Donations are $1 each and may be purchased from CSEA members from now until noon on the day of the luncheon.

Following the luncheon the Staff Council will hold a White Elephant Sale in an adjacent room. Proceeds to go to provide operating expenses for the Staff Council.
