COLLEGE TO BE SITE OF ANNUAL INLAND SCIENCE FAIR

Over 200 students from junior and senior high schools in San Bernardino and Riverside counties will be on campus Saturday, Mar. 17, to compete in the Seventeenth Inland Science Fair.

The College Gymnasium will house the exhibits, which will cover entries in the physical and biological sciences. According to Forest Miller of the San Bernardino County Schools, coordinator of the event, this marks the first year that projects in environmental sciences dominate the field.

An extensive prize structure will be offered to winners in various categories, including cash awards, trophies, with sweepstakes winners in physical and biological science fields who will be eligible to participate in the International Science Fair in San Diego.

More than 100 judges will be on hand Tuesday, Mar. 20, to evaluate the student exhibits. The public is invited to the fair, which runs through Fri., Mar. 23.
"FOUR CENTURIES OF CHORAL MUSIC" TO BE HEARD ON CAMPUS

"Four Centuries of Choral Music" will be covered in a concert by CSCSB Concert Choir and Chamber Singers, directed by Loren H. Filbeck, Asst. Prof., Music. On Sunday, Mar. 18 the Music Department will present the free concert which will feature choral music from the 17th, 18th, 19th and 20th centuries.

Student soloists with the 40-member Choir and 15-member Chamber Singers are Burt Chowning, Carl Jackson, Cynthia Cook and Charles Sweeney.
