Due to the exceptionally heavy work load in the Duplicating Center and the College Relations Office occasioned by the College's High School Career Day, this week's Bulletin is limited to notices and special events.

The new service center for late afternoon and evening students is now open in LC-226. Staffed from 4:30 to 9:15 p.m., Monday through Thursday, the center handles registration, fee payment, special petitions and general information. Evening appointments may be arranged with Kent Schofield, Assoc. Dean of Academic Planning, through the center.

The night line for the center, 887-6317, will be connected to Ext. 582 in LC-226 after 5 p.m., Monday through Thursday. For on-campus calls after 5 p.m., dial Ext. 213. On Fridays the night line will be connected to Ext. 208.

The Information Center at Admissions and Records will maintain regular daytime hours (8-5 Monday through Friday) but will remain open only two evenings a week, Tuesday and Wednesday, until 7:30 p.m.

Nearly 900 high school seniors from about 35 schools turned out for the College's Career Planning Day yesterday. The visitors participated in presentations by the Schools of Humanities, Social Sciences, Natural Sciences and Education; visited classes and participated in discussion of careers with members of the outside community, alumni and students of the College.

A goal of $5,500 has been announced for the College for this year's Arrowhead United Fund campaign, now underway. Departmental representatives will contact individuals to encourage their participation in the Community Fund Drive. A complete listing of volunteers will be printed in next week's Bulletin. Richard Bennecke, Chairman, will answer questions regarding donations for the fund.

See "It's Happening for a full schedule of next week's events."
Attached to this week's Bulletin is a play bill for two comedies by Moliere, "Versailles Impromptu" and "The Physican in Spite of Himself." Tickets are now on sale in the Music/Drama Office for $1 for faculty, students and staff. The plays are being presented in commemoration of the 300th anniversary of Moliere's death as part of a tricentenary celebration which includes a lecture, reception, and dinner, to be held November 10 at 4 p.m.

The lecture will be given by Dr. Thomas Braga, former CSCSB faculty member, now assistant professor of French at the State University of New York, Plattsburgh. Dr. Braga will speak on "Alceste and the Critics."
