A message from President Pfau concerning Good Friday -

In accordance with a directive from the Governor's Office, all offices on campus will be closed from noon until 3:00 p.m. on Friday, April 12, 1974.

Classes will meet as scheduled. Faculty should permit students who wish to be absent for religious purposes to do so without penalty. Any faculty member who wishes to observe the religious occasion may cancel his class during that period.

The Library will be open.

John M. Pfau
President

APPROVAL RECEIVED FOR MA DEGREE IN SPECIAL MAJOR

The College has received approval from Chancellor Dumke to offer the degree of Master of Arts in Special Major, effective with the 1974-75 academic year.

The new MA is designed for the student with special educational objectives who may find that a carefully structured interdisciplinary or multidisciplinary program is more appropriate for his needs.

The special major cannot be used to substitute for a recognized degree program which the College is not authorized to offer nor as an alternative to a degree program in which the student is in academic difficulty. Students desiring to enter the special major program should submit petitions to the Dean of the Graduate School outlining their educational objectives. If the petition is approved by the Committee on Graduate Education the student will develop a program of study in consultation with the Committee on Graduate Education, which will function as the student's graduate committee.

OVER 600 STUDENTS AND GRADUATES ELIGIBLE FOR JUNE 15 GRADUATION

Tentative figures received from the Records Office show that over 400 seniors have filed graduation checks and intend to graduate in June. Fall Quarter graduates numbered 101 and there are approximately 115 Winter Quarter graduates, who bring the total graduating class to 616 to date. More seniors are expected to apply for graduation within the next few weeks.

This year's graduating class will not include students who plan to complete their requirements in Summer Session. This marks the first year that summer graduates will be included in the next year's class.

Commencement exercises are scheduled for 10:30 a.m. Saturday, June 15 on the lawn in front of the College Gymnasium.

Graduation announcements will be on sale in the Bookstore around the first week of May. The dates that caps and gowns may be rented will be announced as soon as possible. Graduation rings may be purchased at the Bookstore now. A special "Ring Week" by the Josten Company allows a 5% discount on all rings purchased from April 22 to April 26. The price varies with the value of gold, but approximate prices are $75 for women and $98 for men.
