ANDRE MAUREL NAMED NEW
CHIEF OF PLANT OPERATIONS

Andre (Andy) Maurel, Chief of Structural Maintenance and Construction at the College's Physical Plant, has been named by President John M. Pfau to the position of Chief of Plant Operations.

Mr. Maurel, who takes over as head of the Physical Plant officially on August 29, will replace Herbert Brown who is retiring this month. The new Chief of Plant Operations joined the College staff in 1965 as Supervisor of Building Trades with responsibility for building maintenance and minor construction.

Prior to his CSCSB service he was with the U.S. Navy until 1958, retiring with the rank of Lt. Commander. He served in the Submarine Service as Chief Engineer and Materials Officer and also taught naval tactics for three years.

In civilian life he was with the Martin Marietta Corporation as Supervisor of an electrical power plant and as Assistant Chief of Field Service.

Mr. Maurel attended Palomar and San Diego Junior College and San Diego State, majoring in Industrial Arts.

He is married and the father of five children.

FALL TELEPHONE DIRECTORY READIED

Two complete College telephone directories will be published this year. The College will change over to the Centrex telephone system some time around the Spring Quarter, necessitating the use of the so-called "temporary" Fall Directory until then.

The College Relations office is currently preparing the Fall directory for the printer. New and continuing staff, faculty and administrators should forward changes of address, phone, room and extension numbers or other information which is new, to AD-151, Ext. 418, so it may be included in the directory. Newcomers who have not yet established local residences will have their home addresses and telephone numbers added through the Bulletin as soon as they become available.
EMPLOYMENT OPPORTUNITIES

GRADUATION AND AWARDS CEREMONY

For Upward Bound Students, Guests

One hundred and fifty students, parents and guests will gather tonight to honor the first graduates of the Upward Bound Program. A large turn-out of local educators, community leaders and others who have worked closely with the program, will be on hand to hear a keynote speech by Robert Martinez, Senior Program Officer of the Regional Office of the U.S. Office of Education in San Francisco, who will fly in from Washington, D.C. for the event.

Gil Lara, Project Director; Tom Rivera, Assoc. Dean, E.O.P., and members of the Parent Advisory Committee will award certificates to the graduates who have completed 10 months of work in the program as well as attending high school at one of seven schools in the local area.

The recognition ceremony will be held at the El Crescendo Gardens in San Bernardino at 6:30 p.m. The invocation will be given by Tony Fisher, graduate of Upward Bound and Sierra High School. Two graduates, Olivia Brown (San Gorgonio) and Phillip Tamayo (SBHS), will read poetry from the work of their fellow students. Closing comments will be made, by Gene Morris, senior at SBHS.

MAIL BOX HAS EARLIER PICK-UP

The Mail Box located at the Main Parking Lot and walkway to the east side of the FA Building has a new pick-up time. Mail is now being collected at 8:15 a.m. weekdays instead of 9 a.m.
