The 1975-76 Academic Year will officially end Saturday, June 14, when the College holds its Ninth Annual Commencement.

Over 3,500 persons are expected on campus for the ceremony, to begin at 10 a.m. with selections by the College Concert Band, directed by Dr. Arthur Moorefield.

This year the College will honor its Master of Arts recipients by the introduction of handsome new hoods especially designed for the College with the blue and brown College colors. The hoods, lined with powder blue satin with brown satin V stripes, show wide velvet bands of blue, tan or white, representing the Schools of Education, Administration and Social Science, respectively.

Seven hundred and sixty students are candidates for graduation, with 643 completing requirements for bachelor's degrees and 117 for master's degrees.

A reception honoring the graduates will be held in the Gymnasium immediately following the ceremonies.

DATELINES....

Monday, June 9 - Last Day of Class
Wednesday thru Friday, June 11-13 - Final Exams
Friday, June 13 - End of Term
Saturday, June 14 - Commencement & End of Academic Year
Monday, June 16 - Grades Due, 9 a.m.; Registration for all Summer School Sessions
