The Chancellor's Office has granted approval for the College to offer the degree of Bachelor of Vocational Education, effective with the 1975-76 academic year.

Especially designed for vocational educators, the interdisciplinary program consists of academic credit for professional qualifications and work experience, and course work in general education and other academic areas. It will provide a B.V.Ed. degree for vocational teachers who can gain competence in their teaching field only through occupational or professional experience. The degree can be awarded only to students who obtain the designated subjects credential in vocational education, either prior to or concurrent with the degree program, and who are recommended by the California State Board of Examiners for Vocational Teachers.

The program is limited to practicing teachers of a vocational subject.

A newly-appointed faculty member of the School of Education, Joseph K. Yabu, will coordinate the program and serve as Vocational Education Adviser. Dr. Yabu, who will report for duty as Assistant Professor of Education in September, has a B.A. and M.A. in Industrial Arts and a Ph.D. in Industrial Education. He comes here from Central Michigan U where he was Asst. Prof. of Industrial Education and Technology.

Holidays

The College will be closed tomorrow, Friday, August 22, which is an Administrative Holiday (in lieu of February 17). Next Friday, August 29, is also an Administrative Holiday for the College (in lieu of February 12) and the College will be closed on that day, too.

Also coming up is the Labor Day holiday, Monday, September 1, which is an Administrative Holiday for the College. The Library and Gym will be closed tomorrow and August 29 through September 1.

Admission Day, September 9, an official State Holiday, will be observed by the College as an in-lieu floating holiday to be taken during the year. California celebrates its 125th year of being admitted to the Union on September 9, 1850 as the 31st state.

PAYDAY IS THURSDAY, AUGUST 28

(Distribution of warrants will be made after 3 p.m. if they are received on schedule from the State Controller's Office.)
"I.E.," NEW ART GROUP, A newly-formed art group called "i.e.," (more formally known as the Inland Empire Group) comprised of art students on various campuses, such as CSCSB, UCR and USC, which originated on our campus, has formed to bring traveling exhibitions to various galleries in Southern California.

The shows will feature a visual approach to art through a given media and represent the life, the color and the light of the Southwest.

Joe Moran, Asst. Prof. of Art, is chairman of the group, which organized under his auspices.

A reception will be held at 2 p.m. August 23 at the Thom Moxley Gallery, Cedar Glen Village, Lake Arrowhead, for the first of the traveling exhibits, which will be on display through September 7.

Cal State students who have work on exhibit are Mary Barrie, Mel Chadwick, David Child, Dennis Parsons, Richard Smith and Shirley Bowers, graduate student.

Arlo Harris (Chemistry) has made a number of speeches this summer on homosexuality and the impact of drinking to UCR extension and Valley College classes, and more recently, on alcohol to the Barstow Sheriff's substation and Knotts Sky Park Senior Citizens Center at 29 Palms.

Dr. Harris, the area’s leading expert on the 20th Century composer, Erik Satie, will perform in a program featuring the life and piano works of the composer. Originating from Dr. Harris' home, the program, part of the KVCR-FM concert series, will feature Satie's most celebrated composition, "Three Gymnopédies," performed live by Dr. Harris. He will also perform other works of Satie with commentaries.

Joseph Thomas (Administration) will give a welcoming address to 43 brand new citizens of the United States this afternoon, following the granting of their petitions for citizenship and swearing in by Presiding Judge of the Superior Court, Don A. Turner. The ceremony will take place in the Masonic Temple in San Bernardino.

James Urata (Building Coord.) belatedly presented a special award which had been granted in 1962 to Dr. Ralph P. Merritt, Director of Re-location Camp at Manzanar, Calif., by the Japanese-American Citizens League in Seattle. Mr. Urata at the August 13 Rotary Club luncheon, awarded the plaque to Dr. Merritt's son, Ralph P. Merritt II, who is the City Manager of Redlands.

William Warehall (Art) has a one-man show, "Ceramic Images," at the Jacqueline Anhalt Gallery on La Cienega Blvd. in Los Angeles, August 15 through September 11. The exhibit includes 35 pieces, featuring hamburger landscapes, cups and teapots.

Editor’s Note: The next issue of the Bulletin will be published Sept. 19. Your Editor will be on vacation in Hawaii September 1 thru September 15. Aloha.
MAIN ENTRY AND ROAD PROJECT ON SCHEDULE

Work on the main entrance to the campus is right on schedule, according to Vice President J. K. Thomas, and if progress continues at its present pace, the job should be completed in time for the beginning of the Fall Quarter.

In addition to the double drive leading from North Park Blvd. to the perimeter road around campus, the contract calls for an irrigation system, overhead street lighting and landscaping the median and both sides of the road with rolling terrain, trees and shrubs.

Contractor on the $168,900 project is Victor Construction Co. of Anaheim.
