Run-off Results

by Wayne Dean Parkinson

The final results are in. Rod Hendry will be the next Cal State San Bernardino A.S. President and Trish Grimes was elected as the next A.S. Treasurer.

The run-offs held May 4 and 5 had a 1229 (26%) turnout, good in comparison to key even entire past elections. Rod Hendry won 786 or 64% of the votes to Lee Ann Overstreet with 448 or 36%, respectively.

The contest for Treasurer was somewhat closer, with Trish Grimes receiving 652 or 56% to Steve Wood’s 509 votes or 44%, respectively.

This year’s elections were the hottest contested in memory. Posters caught every eye and the candidates almost over-stepped themselves in trying to gain public notice and votes. All involved seemed to have breathed a sigh of relief when the results were announced last Thursday night in the Student Union.

Poets to Read May 11

Two award-winning American poets, Mark Strand, the first recipient of the Edgar Allen Poe Prize, and Charles Wright, twice runner-up for the Pulitzer Prize, will read selections from their works Wednesday, May 11 at Cal State, San Bernardino.

The free reading will begin at 8 p.m. in the Recital Hall of the Creative Arts Building.

Currently at the University of Utah, Strand has taught at Columbia, Princeton and Harvard. He has been a Fulbright scholar to Italy and received grants from the National Endowment for the Arts, the Rockefeller Foundation, and the Guggenheim Foundation.

In 1974, Strand received the Academy of American Poets first Edgar Allen Poe Award and in 1975 received an award from the National Institute of Arts and Letters and the American Academy of Arts and Letters. Most recently, he received the fellowship of the Academy of American poets for “distinguished poetic achievement.”

Wright, who also is a recipient of the Edgar Allen Poe Award, teaches at the University of California at Irvine. He holds an MFA from the University of Iowa.

His Selected Poems appeared in 1980. Strand currently is working on a short fiction to be published by Alfred Knopf and on a book about contemporary realist painters.

His awards include the PEN Translation Prize for his translation of Eugino Montale’s The Storm and Other Things. In 1982, his book Southern Cross was nominated for the Pulitzer Prize in poetry. In 1983, he won the American Book Award for his book, Country Music which also was nominated for the Pulitzer.

Committee for Clubs Advises, Coordinates

Have you ever wondered what the M.E.C.H.A. club and the Wood-pushers Anonymous have in common? Well, it’s another group called the Committee for Clubs.

The Committee for Clubs consists of three selected A.S. Activities Committee persons and three appointed persons selected by club representatives.

The main purpose of the committee is to advise, coordinate, and provide financial assistance for activities of campus clubs, according to the Rules and Procedures. This means that if a club wants to organize a fund-raiser, they lack the initial funds to begin with, they request help from the Committee for Clubs.

For example, when a club decides to raise funds through a donuts-and-coffee sale in front of the library, the initial funds for supplies came from the Committee for Clubs.

This committee began in April, 1978 and is still going strong. The officers meet once a week to consider requests. “Membership in the Committee for Clubs shall be open to all duly recognized student organizations.” The only restrictions are that funds can’t be used to purchase alcohol, and that the A.S. may request a certain reimbursement.

Robert Judge Selected

Robert Judge of San Bernardino is one of 12 students selected from international applicants for the California State Assembly Fellowship Program in 1983-84.

The son of Dr. Joseph and Janet Judge of Ridgecrest and a graduate of Ramona High School, Judge will begin his work for the State Legislature in August, assisting an assemblyman in the writing and presentation of legislation through June 1984.

Applicants must have completed their bachelor’s degree by the time the fellowship begins. In addition to grade-point average, honors and basis of his performance during two oral interviews, one in Long Beach and a six-hour session in Sacramento.

Judge, who plans to enter law school after his fellowship, will complete a bachelor of arts degree this spring in economics and political science, as well as a certificate in international relations.

He has been active in the Economics Club and Political Science Council at Cal State and chaired a delegation to the Model United Nations. He also is president of the International Club and a member of the college’s Instructionally Related

Psi Chi Applications Scholarships Psych Major Researchers

We are pleased to announce that applications for Psi Chi scholarships are now being accepted. As a result of our generous fund raising events and the abundant support of our fellow psychology students and faculty, we are able to offer two different categories of scholarships.

We are offering four $75.00 awards which will be presented to the applicants who have demonstrated outstanding academic achievement as a psychology major here at Cal State. The deadline for applying for the scholarships is October 1st, no applications will be accepted after this date. Please leave all completed applications in the Psi Chi box in the Psychology Department Office by this date if you wish to be considered.

Another $300.00 has been allocated to the promotion of psychological research. In order to qualify, a student must submit a research proposal, a clearance from the ethics committee and an itemized projection of costs to conduct the study. Psi Chi does reserve the right to not extend aid, or to partially aid a student’s research. There is no deadline for the psychological research awards.

This is the first time these awards have been offered. We are excited about developing this scholarship fund and we feel that quality work and high achievement deserves recognition. As part of Psi Chi’s commitment to the promotion of academic excellence in the field of psychology we hope to make these awards an annual event. With the ongoing support of our students and faculty, we can do it!

Shalom Club

This club is a fellowship for those interested in Jewish culture on campus. The culture and customs of Israel are highly acclaimed. Interestingly, Shalom is Hebrew for hello, good-bye and peace. It is a greeting. Hebrew songs and folkdances, such as “Havanagilah”, are enjoyed. Celebrating together to celebrate Jewish holidays is enjoyable for members, in order to share our Jewish heritage. Having Chanukah and Israel Independence Day parties were fully enjoyed. We planted trees for the new harvest, Tuishvat. Renee Firestone spoke on Holocaust Remembrance Day. She agrees with Anne Frank that humans have a good heart. Our club partakes in dancing, singing, celebrating Jewish holidays and traditions and selling bagels.

Students interested in becoming a part of Jewish cultural events please put your name, phone number and address in the Shalom Club box in the Student Union.

Speaker on Computer Equipment for Blind

On Wednesday May 18th, Alan Crafton will speak on computer equipment adapted for the blind. Mr. Crafton, an expert from Telesensory Systems Incorporated. He will demonstrate three impressive pieces of adaptive equipment; the VERSABRILLE machine, a system which takes spoken taped matter to be converted into Braille; the new VERT system, a method of obtaining computer records in Braille; and the OPTICON, which transforms printed words into alphabetic (not Braille) raised dot version.

Mr. Crafton will have films and will schedule hands on time for use of the equipment.

For further information contact the Office of Services to Students with Disabilities at 887-7692.

THANKS & GOOD LUCK

I would like to thank all the students who supported me. I greatly enjoyed being a part of this campaign.

I would also like to wish Rod Hendry, our newly elected A.S. President good luck in 1983 and 1984.

Lee Ann Overstreet
The newly-blacktopped double-wide double lanes meet the onrush with a promise — and island swells with burgeoning growth. Even on a dark gray morning the wearily hissing rubber is a comfort. But hours of morning and afternoon sun leave an escape route with practiced warnings. Someone incredibly has killed a strange white bird; and a tire track blends across what once has been a belly, leaving only a perpendicular wing hinting at its heart.
