FOUR-DAY LABOR DAY HOLIDAY NEARS

The College will be closed due to an Administrative Holiday Friday, September 3. Friday, combined with Saturday, Sunday and Labor Day, Monday, September 6, also an Administrative Holiday, will provide a four-day holiday for the College.

The September 3 day off is in lieu of Lincoln's Birthday, February 12, which was not taken at that time.

The Library will be closed all four days.

The Pool will be open all four days, 10 a.m. to 5 p.m. All other facilities at the Gym will be closed with the exception of the tennis and other courts.

CALIFORNIA ADMISSION DAY, FLOATING HOLIDAY

Another holiday is on the academic calendar. Admission Day, September 9, marking the 126th year since California was admitted to the Union as the 31st state, is designated as a floating holiday, to be taken by employees during the year.

All College offices will be open that day.

$56,100 AWARDED FOR BILINGUAL TEACHER TRAINING

A $56,100 Department of Education grant has been awarded to the College for a year's continuation of the Bilingual Bicultural Teacher Training Program established last year.

Dr. Ernest Garcia, director, anticipates that 25 of the 30 teaching aides in last year's program will return to finish work on their credential or bachelor's degree. Five received credentials last year and were hired as teachers at their school district, with the exception of one. Their successful completion will provide room for five to ten new participants, depending upon course load.

A career program for currently employed bilingual aides in certain designated school districts, it provides a stipend to assist them in attending college to obtain their credential while working as teacher aides.

In addition to the five school districts of last year, Cucamonga and Jurupa School Districts have entered into agreements with the College for their teacher aides.

PAYDAY IS TUESDAY, AUGUST 31.
THREE LONG-TIME EMPLOYEES RETIRE

Recently two original staff and one ten-year staff member retired from the College.

Claire Cantlay, who joined CSCSB in August, 1964, when the Admissions Office was located on Arrowhead Avenue in the Skinner Building in San Bernardino, retired last month. Mrs. Cantlay first worked as secretary to the Director of Admissions and Records, a position she held until January, 1972, when she transferred to the Physical Education Department. She and her husband have moved from their Rialto home and into a new mobile home in Covina, closer to her husband's work in Los Angeles. Mrs. Cantlay says she is "thoroughly enjoying her home and leisure time."

Fred Dixon joined the College Police Department as a watchman in August, 1965. He continued working for the College Police, later as a campus guard, until his retirement in May, 1976. Mr. Dixon now spends his time following his hobbies of riding dirt bikes, golfing and relaxing at his home in Calimesa.

Wilma Morris joined the College in March, 1966, first as a temporary clerk in the Business Office and later as an assistant secretary in the President's Office. In August, 1966 she transferred to the newly-organized Department of Education, serving as secretary until October, 1970, when she was appointed to the position of Credentials Analyst, the College's first. She retired last month, with plans for enjoying her home in San Bernardino and traveling. She has a trip to South America scheduled for September.
